# JOIN OUR VILLAGE.

## We're here to support our community and the working parents in it—yes, you!

**Everbrook Academy of Foggy Bottom** is new to the neighborhood and we're eager to connect with local educators in need of child care support.

Here, children learn innovative skills through hands-on experiences rooted in **STEAM learning**. They'll discover the joy of learning through **Science**, **Technology**, **Engineering**, **the Arts**, and **Mathematics** to build a solid foundation for school readiness and future success.

### OUR SCHOOL OFFERS:

- **Infant to Pre-K programs**
- **Before- and after-school clubs for school-age students**
- **Secure classrooms, healthy meals and snacks, outside playtime, and more**
