

Accessing Your Pay Stub After Leaving GW

Employees may continue to access their pay stubs and Form W-2 online via the GWeb Information System after GW employment has ended.

Note that there is a 7-day transition period for access after the final termination date. You will be able to log in using your GWID and PIN 7 days after your termination date.

The **GWeb Information System** is at <https://it.gwu.edu/gweb>.

The screenshot shows the GWeb Sign-on page. At the top, the browser address bar shows <https://it.gwu.edu/gweb>. The page header includes the GW Information Technology logo and a "GET HELP" button. A navigation bar contains links for "I want to", "Services", "Resources for", "Alerts", "Security", and "About". A sidebar on the left lists various services like "Telecommute", "Log In To GWeb", "About GWeb Access", "Access Blackboard", "Access Internet", "Activate or access GW email", "Chat with Martha", and "Download Software". The main content area is titled "GWeb Sign-on" and includes the instruction: "Sign in using the appropriate button below." Below this, there are two columns of buttons. The left column is titled "Access with GW Email" and contains buttons for "Current Students", "Current Faculty & Staff", and "Alumni as of May 2019". The right column is titled "Access with GWID & PIN" and contains buttons for "Applicants", "Former Faculty & Staff", and "Alumni prior to May 2019". A yellow callout box points to the "Former Faculty & Staff" button with the text: "Under 'Access with GWID and PIN' Click the Former Faculty and Staff button." A red arrow points from the top of the page to the browser address bar, and another red arrow points from the "Former Faculty & Staff" button to the "Access with GWID & PIN" header.

Under "Access with GWID and PIN" Click the Former Faculty and Staff button.
