When you enroll in one of the medical plan options, you are automatically provided with prescription drug coverage through CVS Caremark. You have access to prescription medications through both retail pharmacies and mail-order program.

Prescription Plan Features/Programs:

- Diabetes Management Program
- PrudentRx available via the GW PPO Pharmacy Benefit
- Mandatory Maintenance Choice – All Access with Opt-Out

Prescription coverage for the GW Health Savings Plan and GW PPO Plan have differences, so be sure to consider your prescription drug needs along with your medical needs.

GW PPO

Generic, brand formulary and brand non-formulary drugs will be paid by fixed percentage of the total cost each time you fill a prescription, with caps in place to limit the amount you will spend on a prescription (referred to as a maximum).

GW HSP

- Preventive medications (PDF) are covered at 100% (deductible and coinsurance do not apply).
- You must pay all out-of-pocket costs for non-preventive prescription drug services up to the annual deductible
- You may use your Health Savings Account (HSA) to pay for your prescriptions.

Tip: You will receive two separate ID cards for medical (UHC) and prescription (CVS Caremark) if you elect one of GW's medical plans.

Please see the GW Benefits website for more information on the prescription plans.
The GW dental plans are “stand-alone” plans, so you can enroll in dental coverage whether or not you have medical coverage through GW. Three Dental Plan options are available to choose through Aetna.

**Low PPO Plan:**
Preventive and basic coverage and has a lower premium.

**High PPO Plan:**
Provides a greater level of coverage (major care and orthodontia) and carries a higher premium.

**DMO Plan:**
Provides benefits in a similar manner to an HMO medical plan. You must elect a Primary Care Dentist from a narrow network of participating dentists.

You don’t need a dental ID card to get dental care. When you visit your dentist, simply tell the office your name, date of birth and member ID number (or your Social Security number).

The Aetna group number for GW is 622758.

Go to aetna.com and select “Find a Doctor” to locate an in-network dentist near you.

Please see the GW Benefits website for more information on the dental plans.
GW offers two stand-alone vision plans administered by UHC. Both plans offer In-network, covered-in-full benefits including a comprehensive exam and eyeglasses, or contact lenses in lieu of eyeglasses.

Review the chart comparing coverage for the UHC Basic and Enhanced Vision Plans (PDF), including contribution amounts, is available to help you in selecting the plan that is right for you.

Need glasses or contacts? UnitedHealthcare Vision offers members 2 quick and easy ways to order what they need and get the most out of their vision benefits.

When scheduling your appointment, simply let the provider know that you are a UnitedHealthcare Vision member – there are no ID cards to worry about, but you do have the option to print an ID card (PDF) if you prefer.

Finding a provider is easy with the UHC online provider locator at myuhcvision.com.

Please see the GW Benefits website for more information on the vision plans.
Administered by Bank of America, pre-tax savings accounts allow you to make an annual election to set aside money from your paycheck on a pre-tax basis that can be used to pay for eligible out-of-pocket expenses.

Pre-tax savings accounts for the GW Health Savings Plan and GW PPO Plan have differences, so be sure to consider your medical plan before enrolling in one of these plans.

**Flexible Spending Accounts (FSA)**
- Health Care FSA (HCFSA) – used for eligible out-of-pocket healthcare costs for you or your eligible dependents
- Dependent Care FSA (DCFSA) – used for eligible dependent care expenses while you work

**GW HSP Only**
- Health Savings Account (HSA) – used for eligible out-of-pocket healthcare costs for you or your eligible dependents
- GW will make a tax-free matching contribution to your account

*TIP: Did you know your HSA funds can be invested? Once you reach a minimum balance of $1,000, you can open an investment account and invest your funds!

Please see the GW Benefits website for more information on the FSA and HSA plans.
