Limited Benefit, Please Read Carefully
Welcome

Thank you for choosing Aetna®.

This is your booklet-certificate. It is one of three documents that together describe the benefits covered by your Aetna plan for in-network and out-of-network coverage.

This booklet-certificate will tell you about your covered benefits – what they are and how you get them. If you become covered, this booklet-certificate becomes your certificate of coverage under the group policy, and it replaces all certificates describing similar coverage that we sent to you before. The second document is the schedule of benefits. It tells you how we share expenses for eligible dental services and tells you about limits – like when your plan covers only a certain number of visits.

The third document is the group policy between Aetna Life Insurance Company (“Aetna”) and the policyholder. Ask the policyholder if you have any questions about the group policy.

Sometimes, we may send you documents that are amendments, endorsements, attachments, inserts or riders. They change or add to the documents that they’re part of. When you receive these, they are considered part of your Aetna plan for coverage. Any change in this booklet-certificate must be approved by an authorized executive office of Aetna. No agent can change this booklet-certificate or waive any of its terms.

Where to next? Try the Let’s get started! section. Let’s get started! gives you a summary of how your plan works. The more you understand, the more you can get out of your plan.

Welcome to your Aetna plan.

Schedule of benefits Issued with your booklet-certificate
Let’s get started!

Here are some basics. First things first – some notes on how we use words. Then we explain how your plan works so you can get the most out of your coverage. But for all the details – and this is very important – you need to read this entire booklet-certificate and the schedule of benefits. And if you need help or more information, we tell you how to reach us.

Some notes on how we use words in the booklet-certificate and schedule of benefits

- When we say “you” and “your”, we mean you and any covered dependents
- When we say “us”, “we”, and “our”, we mean Aetna
- Some words appear in bold type and we define them in the Glossary section

Sometimes we use technical dental language that is familiar to dental providers.

What your plan does – providing covered benefits

Your plan provides in-network and out-of-network covered benefits. These are eligible dental services for which your plan has the obligation to pay.

How your plan works – starting and stopping coverage

Your coverage under the plan has a start and an end. You start coverage after the eligibility and enrollment process is completed. To learn more see the Who the plan covers section.

You can lose coverage for many reasons. To learn more see the When coverage ends section.

Ending coverage under the plan doesn’t necessarily mean you lose coverage with us. See the Special coverage options after your plan coverage ends section.

How your plan works while you are covered in-network

Your in-network coverage helps you get and pay for a lot of – but not all – eligible dental services. You pay less when you use in-network providers.

**Important note:**
See the schedule of benefits for any deductibles, coinsurance, and maximum age or visit limits that may apply.

Eligible dental services

**Eligible dental services** meet these requirements:
- They are listed in the Eligible dental services section in the schedule of benefits.
- They are not carved out in these sections:
  - What are your eligible dental services?
  - What rules and limits apply to dental care?
  - What your plan doesn’t cover – exclusions. We refer to this section as “Exclusions”.
- They are not beyond any limits in the What rules and limits apply to dental care? section and the schedule of benefits.
Aetna’s network of dental providers
Aetna’s network of dental providers is there to give you the care you need. You can find in-network providers and see important information about them most easily on our online provider directory. Just log onto our self-service website. See the How to contact us for help section.

You can choose any dental provider who is in the dental network.

You generally pay less when you get care from in-network providers, so choose in-network providers as soon as you can. See your schedule of benefits for details.

In-network providers not reasonably available – You can get eligible dental services from an out-of-network provider at the in-network cost share level when an appropriate in-network provider is not reasonably available. You must request approval from us before you get the care. Just contact us.

For more information about the provider directory and in-network providers, see the Who provides the care section.

Paying for eligible dental services – the general requirements
There are general requirements for the plan to pay any part of the expense for an eligible dental service. They are:

- The eligible dental service is medically necessary
- You get the eligible dental service from in-network or out-of-network providers

You will find details on medical necessity requirements in the Medical necessity requirements section.

Paying for eligible dental services – sharing the expense
Generally your plan and you will share the expense of your eligible dental services when you meet the general requirements for paying.

But sometimes your plan will pay the entire expense; and sometimes you will. For more information see the What the plan pays and what you pay section and see the schedule of benefits.

How your plan works while you are covered out-of-network
The section above told you how your plan works while you are covered in-network. You also have coverage when you want to get your care from providers who are not part of the Aetna network. It’s called out-of-network coverage.

Your out-of-network coverage:

- Means you can get care from dental providers who are not part of the Aetna network.
- Means you may have to pay for services at the time that they are provided. You may be required to pay the full charges and submit a claim for reimbursement to us. You are responsible for completing and submitting claim forms for reimbursement of eligible dental services that you paid directly to a dental provider.
- Means the out-of-network cost share applies and you pay more. See the schedule of benefits.

You will find details on:
- Out-of-network providers and any exceptions in the Who provides the care section
- Cost sharing in the What the plan pays and what you pay section and your schedule of benefits
- Claim information in the When you disagree - claim decisions and appeals procedures section
How to contact us for help
We are here to answer your questions. You can contact us by registering and logging onto our self-service website available 24/7 that requires registration and logon at https://www.aetna.com/.

In our website you can get reliable dental information, tools and resources. Online tools will make it easier for you to:
- Make informed decisions about your dental care
- View claims
- Research care and treatment options
- Access information on health and wellness

You can also contact us by:
- Calling Aetna at 1-877-238-6200
- Writing us at Aetna Life Insurance Company, 151 Farmington Ave, Hartford, CT 06156

Your ID card
You don't need to show an ID card. When visiting a dentist, just provide your:
- Name
- Date of birth
- ID card number or social security number

The dental office can use that information to verify your eligibility and benefits. Your ID number is located on your digital ID card which you can view or print by going to our self-service website. If you don’t have internet access, call us. You can also access your ID card when you’re on the go. To learn more, visit us at https://www.aetna.com/.
Who the plan covers

You will find information in this section about:
- Who is eligible
- When you can join the plan
- Who can be on your plan (who can be your dependent)
- Adding new dependents
- Special times you and your dependents can join the plan

Who is eligible
The policyholder decides and tells us who is eligible for dental care coverage.

When you can join the plan
As an employee you can enroll yourself and your dependents:
- At the end of any waiting period the policyholder requires
- Once each Calendar Year during the annual enrollment period
- At other special times during the year (see the Special times you and your dependents can join the plan section below)

If you don’t enroll yourself and your dependents when you first qualify for dental benefits, you may have to wait until the next annual enrollment period to join.

Who can be on your plan (who can be your dependent)
You can enroll the following family members on your plan. (They are referred to in this booklet-certificate as your “dependents”.)
- Your legal spouse
- Your domestic partner who meets any policyholder rules and requirements under state law
- Your dependent children – yours or your spouse’s or partner’s
  - Dependent children must be:
    o Under 26 years of age
  - Dependent children include:
    o Natural children
    o Stepchildren
    o Adopted children including those placed with you for adoption
    o Foster children
    o Children you are responsible for under a qualified medical support order or court order
    o Grandchildren, nieces, or nephews in your legal custody or for which you are the primary caregiver

You may continue coverage for a disabled child past the age limit shown above. See the Continuation of coverage for other reasons in the Special coverage options after your plan coverage ends section for more information.
Adding new dependents

You can add the following new dependents any time during the year:

- **A spouse** - If you marry, you can put your spouse on your plan.
  - We must receive your completed enrollment information not more than 31 days after the date of your marriage.
  - Ask the policyholder when benefits for your spouse will begin. It will be:
    - No later than the first day of the first calendar month after the date we receive your completed enrollment information
    - Within 31 days of the date of your marriage.

- **A domestic partner** - If you enter a domestic partnership, you can enroll your domestic partner on your dental plan.
  - We must receive your completed enrollment information not more than 31 days after the date you file a Declaration of Domestic Partnership, or not later than 31 days after you provide documentation required by the policyholder.
  - Ask the policyholder when benefits for your domestic partner will begin. It will be either on the date your Declaration of Domestic Partnership is filed or the first day of the month following the date we receive your completed enrollment information.

- **A newborn child** - Your newborn child is covered on your dental plan for the first 31 days from the moment of birth.
  - To keep your newborn covered, we must receive your completed enrollment information within 31 days of birth.
  - You must still enroll the child within 31 days of birth even when coverage does not require payment of an additional premium contribution for the covered dependent.
  - If you miss this deadline, your newborn will not have dental benefits after the first 31 days.

- **An adopted child** - A child that you, or that you and your spouse or domestic partner adopts is covered on your plan for the first 31 days after the adoption is complete.
  - To keep your adopted child covered, we must receive your completed enrollment information within 31 days after the adoption.
  - If you miss this deadline, your adopted child will not have dental benefits after the first 31 days.

- **A stepchild** - You may put a child of your spouse or domestic partner on your plan.
  - You must complete your enrollment information and send it to us within 31 days after the date of your marriage or your Declaration of Domestic Partnership with your stepchild’s parent.
  - Ask the policyholder when benefits for your stepchild will begin. It is either on the date of your marriage or the date your Declaration of Domestic Partnership is filed or the first day of the month following the date we receive your completed enrollment information.

Inform us of any changes

It is important that you inform us of any changes that might affect your benefit status. This will help us effectively deliver your benefits. Please contact us as soon as possible with changes such as:

- Change of address or phone number
- Change in marital status
- Change of covered dependent status
- A covered dependent who enrolls in any other dental plan
**Late entrant rule**
The plan does not cover services and supplies given to a person age 5 or older if that person did not enroll in the plan during one of the following:
- The first 31 days the person is eligible for this coverage
- Any period of open enrollment agreed to by the policyholder and us

This does not apply to charges incurred for any of the following:
- After the person has been covered by the plan for 12 months
- As a result of injuries sustained while covered by the plan
- Diagnostic and preventive services such as exams, cleanings, fluoride, and images (orthodontia related services are not included)

**Special times you and your dependents can join the plan**
You can enroll in these situations:
- When you did not enroll in this plan before because:
  - You were covered by another group dental plan, and now that other coverage has ended
  - You had COBRA, and now that coverage has ended
- You have added a dependent because of marriage, birth, adoption, placement for adoption or foster care. See the *Adding new dependents* section for more information
- When a court orders that you cover a current spouse, domestic partner, or a minor child on your dental plan

We must receive your completed enrollment information from you within 31 days of that date on which you no longer have the other coverage mentioned above.

**Effective date of coverage**
Your coverage will be in effect as of the date you become eligible for dental benefits.
Medical necessity requirements

The starting point for covered benefits under your plan is whether the services and supplies are eligible dental services and medically necessary. See the Eligible dental services and Exclusions sections plus the schedule of benefits.

This section addresses the medical necessity requirements.

Medically necessary/medical necessity
As we said in the Let’s get started! section, medical necessity is a requirement for you to receive a covered benefit under this plan.

The medical necessity requirements are in the Glossary section, where we define "medically necessary, medical necessity".
What are your eligible dental services?

The information in this section is the first step to understanding your plan’s eligible dental services. If you have questions about this section, see the How to contact us for help section.

Your plan covers many kinds of dental care services and supplies. But some are not covered at all or are covered only up to a limit.

You can find out about exceptions and exclusions in the:
- **Dental provider services** benefit below
- **What rules and limits apply to dental care?** section
- **Exclusions** section

Your dental plan

Your dental plan includes in-network providers and out-of-network providers. This means that it is a network plan. We explain how this plan works in the Let’s get started! section.

Schedule of benefits

Eligible dental services include dental services and supplies provided by a dental provider. Your schedule of benefits includes a detailed list of eligible dental services under your dental plan (including any maximums and limits that apply to them).

Dental provider services

You can get eligible dental services:
- At the dental provider’s office
- By way of teledentistry

**Important note:**
**Eligible dental services** for teledentistry are paid based upon the cost share features that apply to the type of eligible dental service that you get. See your schedule of benefits for details.

The following are not eligible dental services under your plan except as described in the What rules and limits apply to dental care? section of this booklet-certificate, the schedule of benefits, or a rider or amendment issued to you for use with this booklet-certificate:
- Acupuncture, acupressure and acupuncture therapy
- Asynchronous dental treatment
- Crown, inlays and onlays, and veneers unless for one of the following:
  - It is treatment for decay or traumatic injury and teeth cannot be restored with a filling material
  - The tooth is an abutment to a covered partial denture or fixed bridge.
- Dental implants, false teeth, prosthetic restoration of dental implants, plates, dentures, braces, mouth guards, and other devices to protect, replace or reposition teeth and removal of implants
- Dental services and supplies made with high noble metals (gold or titanium) except as covered in the schedule of benefits
- Dentures, crowns, inlays, onlays, bridges, or other prosthetic appliances or services used for the purpose of splinting, to alter vertical dimension, to restore occlusion, or correcting attrition, abrasion, or erosion
- General anesthesia and intravenous sedation, unless specifically covered and done in connection with another eligible dental service
- Instruction for diet, tobacco counseling and oral hygiene
- Orthodontic treatment except as covered in the schedule of benefits
- Prefabricated porcelain/ceramic crown – permanent tooth
- Services and supplies provided in connection with treatment or care that is not covered under the plan
- Replacement of a device or appliance that is lost, missing or stolen, and for the replacement of appliances that have been damaged due to abuse, misuse or neglect and for an extra set of dentures
- Replacement of teeth beyond the normal complement of 32
- Services and supplies provided where there is no evidence of pathology, dysfunction or disease, other than covered preventive services
- Space maintainers except when needed to preserve space resulting from the premature loss of deciduous teeth
- Surgical removal of impacted wisdom teeth when removed only for orthodontic reasons
- Temporomandibular joint dysfunction/disorder (TMJ)

**Dental emergency services**

Eligible dental services include dental emergency services provided for a dental emergency. The care provided must be a covered benefit.

If you have a dental emergency, you should consider calling your in-network provider who may be more familiar with your dental needs. However, you can get treatment from any dentist including one that is an out-of-network provider. If you need help in finding a dentist, call us.

If you get treatment from an out-of-network provider for a dental emergency, the plan pays a benefit at the in-network cost sharing level of coverage up to the dental emergency services maximum. Any charges above the dental emergency services maximum will be paid at the out-of-network cost-sharing level.

For follow up care to treat the dental emergency, you should consider using your in-network provider so that you can get the maximum level of benefits. Follow up care will be paid at the cost sharing level that applies to the type of eligible dental service and the provider that gives you the care.
What rules and limits apply to dental care?

Several rules apply to the dental benefits. Following these rules will help you use your plan to your advantage by avoiding expenses that are not covered by your plan.

Alternate treatment rule
Sometimes there are several ways to treat a dental problem, all of which provide acceptable results.

If a charge is made for a non-eligible dental service but an eligible dental service would have provided acceptable results, then your plan will pay a benefit for the eligible dental service.

If a charge is made for an eligible dental service but a different eligible dental service would have provided acceptable results and is less expensive, then your plan will pay a benefit based upon the least expensive eligible dental service.

The benefit will be based on the in-network provider’s negotiated charge for the eligible dental service or, in the case of an out-of-network provider, on the recognized charge.

You should review the differences in the cost of alternate treatment with your dental provider. Of course, you and your dental provider can still choose the more costly treatment method. You are responsible for any charges in excess of what your plan will cover.

Coverage for dental work begun before you are covered by the plan
Your plan does not cover dental work that began before you were covered by the plan. This means that the following dental work is not covered:

- An appliance, or modification of an appliance, if an impression for it was made before you were covered by the plan
- A crown, bridge, or cast or processed restoration, if a tooth was prepared for it before you were covered by the plan
- Root canal therapy, if the pulp chamber for it was opened before you were covered by the plan

Orthodontic treatment rule
Orthodontic treatment is covered on the date active orthodontic treatment begins.

The following are not considered orthodontic treatment:

- The installation of a space maintainer
- A surgical procedure to correct malocclusion

This benefit does not cover charges for the following:

- Replacement of broken appliances
- Re-treatment of orthodontic cases
- Changes in treatment necessitated by an accident
- Maxillofacial surgery
- Myofunctional therapy
- Treatment of cleft palate
- Treatment of micrognathia
- Treatment of macroglossia
- Lingually placed direct bonded appliances and arch wires (i.e. “invisible braces”)
**Orthodontic limitation for late enrollees**
The plan will not cover the charges for an orthodontic procedure for which an active appliance for that procedure has been installed within the 2 year period starting with the date you became covered by the plan. This limit applies only if you do not become enrolled in the plan within 31 days after you first become eligible.

**Reimbursement policies**
We reserve the right to apply our reimbursement policies to all services including involuntary services. Those policies may affect the **negotiated charge** or **recognized charge**. These policies consider:

- The duration and complexity of a service
- When multiple procedures are billed at the same time, whether additional overhead is required
- Whether an assistant surgeon is necessary for the service
- If follow up care is included
- Whether other characteristics modify or make a particular service unique
- When a charge includes more than one claim line, whether any services described by a claim line are part of, or incidental to, the primary service provided
- The educational level, licensure or length of training of the **provider**

**Aetna** reimbursement policies are based on our review of:

- Generally accepted standards of dental practice
- The views of **providers** and **dentists** practicing in the relevant clinical areas

**Replacement rule**
Some **eligible dental services** are subject to your plan’s replacement rule. The replacement rule applies to replacements of, or additions to existing:

- Crowns
- Inlays
- Onlays
- Veneers
- Complete dentures
- Removable partial dentures
- Fixed partial dentures (bridges)
- Other prosthetic services

These **eligible dental services** are covered only when you give us proof that:

- While you were covered by the plan:
  - You had a tooth (or teeth) extracted after the existing denture, bridge or other prosthetic item was installed.
  - As a result, you need to replace or add teeth to your denture, bridge or other prosthetic item and:
    - The tooth that was removed was not an abutment to a removable or fixed partial denture, bridge or other prosthetic item installed during the prior 8 years.
    - Your present denture is an immediate temporary one that replaced that tooth (or teeth). A permanent denture is needed and the temporary denture cannot be used as a permanent denture. Replacement must occur within 12 months from the date that the temporary denture was installed.
- The present item cannot be made serviceable, and is:
  - A crown installed at least 8 years before its replacement.
  - An inlay, onlay, veneer, complete denture, removable partial denture, fixed partial denture (bridge), or other prosthetic item installed at least 8 years before its replacement.
What your plan doesn’t cover – exclusions

We already told you about the many dental care services and supplies that are eligible for coverage under your plan in the What are your eligible dental services? section. In that section we also told you that some dental care services and supplies have exceptions and some are not covered at all (exclusions).

In this section we tell you about the exclusions that apply to your plan.

And just a reminder, you'll find benefit and coverage limitations in the schedule of benefits.

Exclusions
The following are not eligible dental services under your plan except as described in:

- What are your eligible dental services? section
- What rules and limits apply to dental care? section
- The schedule of benefits
- A rider or amendment issued to you for use with this booklet-certificate

Charges for services or supplies
- Provided by an out-of-network provider in excess of the recognized charge
- Provided for your personal comfort or convenience, or the convenience of any other person, including a dental provider
- Provided in connection with treatment or care that is not covered under the plan
- Cancelled or missed appointment charges or charges to complete claim forms
- Charges for which you have no legal obligation to pay
- Charges that would not be made if you did not have coverage, including:
  - Care in charitable institutions
  - Care for conditions related to current or previous military service
  - Care while in the custody of a governmental authority

Charges in excess of any benefit limits
- Any charges in excess of the benefit, dollar, visit, or frequency limits stated in the schedule of benefits.

Cosmetic services and plastic surgery (except to the extent coverage is specifically provided in the schedule of benefits)

- Cosmetic services and supplies including:
  - Plastic surgery
  - Reconstructive surgery
  - Cosmetic surgery
  - Personalization or characterization of dentures or other services and supplies which improve, alter or enhance appearance
  - Augmentation and vestibuloplasty and other services to protect, clean, whiten, bleach, alter the appearance of teeth whether or not for psychological or emotional reasons

Facings on molar crowns and pontics will always be considered cosmetic
Court-ordered services and supplies
- This includes those court ordered services and supplies, or those required as a condition of parole, probation, release or because of any legal proceeding, unless they are an eligible dental service under this plan.

Dental services and supplies
- Those covered under any other plan of group benefits provided by the policyholder

Examinations
Any dental examinations needed:
- Because a third party requires the exam. Examples include examinations to get or keep a job, or examinations required under a labor agreement or other contract.
- To buy insurance or to get or keep a license.
- To travel.
- To go to a school, camp, or sporting event, or to join in a sport or other recreational activity.

Experimental or investigational
- Experimental or investigational drugs, devices, treatments or procedures

Non-medically necessary services
- Services, including but not limited to, those treatments, services, prescription drugs and supplies which are not medically necessary (as determined by Aetna) for the diagnosis and treatment of illness, injury, restoration of physiological functions, or covered preventive services. This applies even if they are prescribed, recommended or approved by your physician or dentist.

Other primary payer
- Payment for a portion of the charge that another party is responsible for as the primary payer

Outpatient prescription drugs, and preventive care drugs and supplements
- Prescribed drugs, pre-medication or analgesia

Personal care, comfort or convenience items
- Any service or supply primarily for your convenience and personal comfort or that of a third party

Providers and other health professionals
- Treatment by other than a dentist. However, the plan will cover some services provided by a licensed dental hygienist under the supervision and guidance of a dentist. These are:
  - Scaling of teeth
  - Cleaning of teeth
  - Topical application of fluoride
- Charges submitted for services by an unlicensed provider or not within the scope of the provider’s license.

Services provided by a family member
- Services provided by a spouse, civil union partner, domestic partner, parent, child, stepchild, brother, sister, in-law or any household member
Teledentistry

- Services given by dental providers that are not contracted with Aetna as teledentistry providers
- Services given when you are not present at the same time as the dental provider
- Services including:
  - Telephone calls
  - Teledentistry kiosks
  - Electronic vital signs monitoring or exchanges

Work related illness or injuries

- Coverage available to you under workers’ compensation or under a similar program under local, state or federal law for any illness or injury related to employment or self-employment.
- A source of coverage or reimbursement will be considered available to you even if you waived your right to payment from that source. You may also be covered under a workers’ compensation law or similar law.
- If you submit proof that you are not covered for a particular illness or injury under such law, then that illness or injury will be considered “not work related” regardless of cause.
Who provides the care

Just as the starting point for coverage under your plan is whether the services and supplies are eligible dental services, the foundation for getting covered care is through our network. This section tells you about in-network and out-of-network providers.

In-network providers
We have contracted with dental providers to provide eligible dental services to you. These dental providers make up the network for your plan.

For you to pay less under this plan you should use in-network providers for eligible dental services.

You don’t have to use in-network providers:
- For dental emergency services – Refer to the What are your eligible dental services? section.
- When they are not available to provide eligible dental services that you need. See the Let’s get started section for more information.

You can find in-network providers and see important information about them by logging onto our self-service website. You can search our online provider directory for names and locations of in-network providers.

You will not have to submit claims for treatment received from in-network providers. Your in-network provider will take care of that for you. And we will directly pay the in-network provider for what the plan owes.

Out-of-network providers
You also have access to out-of-network providers. This means you can receive eligible dental services from an out-of-network provider. If you use an out-of-network provider to receive eligible dental services, you are subject to a higher out-of-pocket expense and are responsible for:
- Paying your out-of-network deductible
- Your out-of-network coinsurance
- Any charges over our recognized charge
- Submitting your own claims
What the plan pays and what you pay

Who pays for your eligible dental services – this plan, both you and this plan or just you? That depends. This section gives the general rule and explains these key terms:

- Your deductible
- Your coinsurance
- Your maximums
- Your dental emergency services maximum

We also remind you that sometimes you will be responsible for paying the entire bill – for example, if you get care that is not an eligible dental service.

The general rule

When you get eligible dental services:

- You pay your deductible

And then

- The schedule of benefits lists how much you pay and your plan pays. The coinsurance percentage may vary by the type of expense.

And then

- You are responsible for any amounts above the Calendar Year and lifetime maximums.

When we say “expense” in this general rule, we mean the negotiated charge for in-network providers and recognized charge for out-of-network providers. See the Glossary section for what these terms mean.

Important note – when you pay all

You pay the entire expense for an eligible dental service when you get a dental care service or supply that is not medically necessary. See the Medical necessity requirements section.

The dental provider may require you to pay the entire charge. And any amount you pay will not count towards your deductible or towards your Calendar Year and lifetime maximums.

Special financial responsibility

You are responsible for the entire expense of:

- Cancelled or missed appointments

Neither you nor we are responsible for:

- Charges for which you have no legal obligation to pay
- Charges that would not be made if you did not have coverage
Where your schedule of benefits fits in
This section explains some of the terms you will find in your schedule of benefits.

How your deductible works
Your deductible is the amount you need to pay for eligible dental services per Calendar Year before your plan begins to pay for eligible dental services. Your schedule of benefits shows the deductible amounts for your plan.

How we count your deductible
When you see in-network providers, we count the negotiated charge toward your in-network deductible. When you see out-of-network providers, we count the recognized charge toward your out-of-network deductible.

How your coinsurance works
Your coinsurance is the amount you pay for eligible dental services after you have paid your deductible. The schedule of benefits shows the coinsurance this plan will pay for specific eligible dental services. You are responsible for paying any remaining coinsurance.

How your Calendar Year maximum works
This is the most your plan will pay, after any applicable deductible and coinsurance, for charges that you incur for eligible dental services in a Calendar Year. You are responsible for any amounts above the maximum.

How your lifetime maximum works
This is the most your plan will pay, after you have paid your deductible and coinsurance, for charges that you incur for eligible dental services during your lifetime. You are responsible for any amounts above the maximum.

Important note:
See the schedule of benefits for any deductibles, coinsurance, maximum and maximum age, visit limits, and other limitations that may apply.
When you disagree - claim decisions and appeals procedures

In the previous section, we explained how you and we share responsibility for paying for your eligible dental services.

When a claim comes in, we review it, make a decision and tell you how you and we will split the expense. We also explain what you can do if you think we got it wrong.

Notice of claim
You must give us notice of your claim in writing within 20 days after you have paid for a service covered under the policy. If you do not tell us within 20 days, you must do so as soon as possible.

Claim forms
Claim forms may be obtained from us or the policyholder within 15 days of notification of the claim. If we don’t send you the forms within 15 days, we will accept a written description that is the basis of the claim as proof of loss. It must detail the nature and extent of loss and be submitted within the time limits stated in the Proof of loss provision.

Proof of loss
You must provide proof of loss no later than 90 days after the last date of service. If you are unable to do so, you must provide proof as soon as possible but no later than 12 months after the last day of service, unless you are legally incapacitated. We will pay the claim immediately after we receive complete written proof of loss.

Claim procedures
You or your dental provider are required to send us a claim in writing. You can request a claim form from us. We will review that claim for payment to the dental provider or to you as appropriate.

The table below explains the claim procedures as follows:

<table>
<thead>
<tr>
<th>Notice</th>
<th>Requirement</th>
<th>Deadline</th>
</tr>
</thead>
</table>
| Submit a claim | ● You should get a claim form from our self-service website or call us  
● The claim form will provide instructions on how to complete and where to send the forms | ● You must send us notice and proof as soon as reasonably possible  
● If you are unable to complete a claim form, you may send us:  
  − A description of services  
  − Bill of charges  
  − Any dental documentation you received from your dental provider |
Proof of claim

When you have received a service from an eligible dental provider, you will be charged. The information you receive for that service is your proof of loss.

• A completed claim form and any additional information required by us

• You must send us notice and proof as soon as reasonably possible

Benefit payment

• Written proof must be provided for all benefits

• If we challenge any portion of a claim, the unchallenged portion of the claim will be paid promptly after the receipt of proof of loss

• If you die while benefits are being paid, we will pay benefits to your beneficiary. If you have not elected a beneficiary, benefits will be paid to your estate.

• Benefits will be paid as soon as the necessary proof to support the claim is received

Communicating our claim decisions

The amount of time that we have to tell you about our decision on a claim is shown below.

Post-service claim

A post service claim is a claim that involves dental care services you have already received.

Adverse benefit determinations

We pay many claims at the full rate negotiated charge with in-network providers and the recognized charge with out-of-network providers, except for your share of the costs. But sometimes we pay only some of the claim. And sometimes we don’t pay at all. Any time we don’t pay even part of the claim, that is called an “adverse benefit determination” or “adverse decision”. It is also an “adverse benefit determination” if we rescind your coverage entirely.

Rescission means you lose coverage going forward and going backward. If we paid claims for your past coverage, we will want the money back.

An adverse benefit determination may be based on:

- Your eligibility for coverage
- Whether the service or supply is experimental or investigational
- The medical necessity, appropriateness, or level of care, or health care setting
- Whether a wellness incentive has been properly applied
- Whether you were given a reasonable alternate option for satisfying a wellness plan when required

If we make an adverse benefit determination, we will tell you in writing.

The difference between a complaint and an appeal

A complaint

You may not be happy about a dental provider or an operational issue, and you may want to complain. You can call or write us. Your complaint should include a description of the issue. You should include copies of any records or documents that you think are important. We will review the information and provide you with a written response within 30 calendar days of receiving the complaint. We will let you know if we need more information to make a decision.

An appeal

You can ask us to review an adverse benefit determination. This is called an appeal. You can appeal by calling us.

Appeals of adverse benefit determinations

You can appeal our adverse benefit determination resulting in a rescission, denial, termination or other limitation of benefit. We will assign your appeal to someone who was not involved in making the original decision. You must file an appeal within 180 calendar days from the time you receive the notice of an adverse benefit determination.

You can appeal by sending a written appeal to the address on the notice of adverse benefit determination or by calling us. You need to include:

- Your name
- The policyholder’s name
- A copy of the adverse benefit determination
- Your reasons for making the appeal
- Any other information you would like us to consider

Another person may submit an appeal for you, including a dental provider. That person is called an authorized representative. You need to tell us if you choose to have someone else appeal for you (even if it is your dental provider). You should fill out an authorized representative form telling us that you are allowing someone to appeal for you. You can get this form on our website or by contacting us. The form will tell you where to send it to us. You can use an authorized representative at any level of appeal.
You can appeal two times under this plan. If you appeal a second time you must present your appeal within 60 calendar days from the date you receive the notice of the first appeal decision.

We will notify you in writing within 10 working days that we received your appeal.

**Timeframes for deciding appeals**
The amount of time that we have to tell you about our decision on an appeal claim depends on the type of claim. The chart below shows a timetable view of the different types of claims and how much time we have to tell you about our decision.

**Exhaustion of appeals process**
You must complete the appeal process with us before you can take these actions:
- Appeal through an external review process
- Pursue arbitration, litigation or other type of administrative proceeding

You have the option to contact the District of Columbia Department of Insurance, Securities and Banking to request an investigation or file a complaint with the Department at any time during the internal claims appeal process.

**External review**
External review is a review done by people in an organization outside of Aetna. This is called an external review organization (ERO). Sometimes, this is called an independent review organization (IRO).

You have a right to external review only if:
- Our claim decision involved medical judgment
- We decided the service or supply is not **medically necessary** or not appropriate
- We decided the service or supply is experimental or investigational
- You have received an adverse determination

If our claim decision is one for which you can seek external review, we will say that in the notice of adverse benefit determination or final adverse benefit determination we send you. That notice also will describe the external review process. It will include a copy of the Request for External Review form at the final adverse determination level.
You must submit the Request for External Review form:
- To the Director of the Department of Health Care Finance
- Within 4 months of the date you received the decision from us
- And you must include a copy of the notice from us and all other important information that supports your request

You will pay for any information that you send and want reviewed by the ERO. We will pay for information we send to the ERO plus the cost of the review.

The Director will contact the ERO that will conduct the review of your claim.

The ERO will:
- Assign the appeal to one or more independent clinical reviewers that have the proper expertise to do the review
- Consider appropriate credible information that you sent
- Follow our contractual documents and your plan of benefits
- Send notification of the decision within 45 calendar days of the date we receive your request form and all the necessary information

We will stand by the decision that the ERO makes, unless we can show conflict of interest, bias or fraud.

**How long will it take to get an ERO decision?**
We will tell you of the ERO decision not more than 45 calendar days after we receive your Notice of External Review Form with all the information you need to send in.

Sometimes you can get a faster external review decision. Your provider must call us or send us a Request for External Review Form. There are two scenarios when you may be able to get a faster external review:

**For initial adverse determinations**
Your provider tells us that a delay in your receiving health care services would:
- Jeopardize your life, health or ability to regain maximum function, or
- Be much less effective if not started right away (in the case of experimental or investigational treatment)

**For final adverse determinations**
Your provider tells us that a delay in your receiving health care services would:
- Jeopardize your life, health or ability to regain maximum function
- Be much less effective if not started right away (in the case of experimental or investigational treatment), or
- The final adverse determination concerns an admission, availability of care, continued stay or health care service for which you received emergency services, but have not been discharged from a facility

If your situation qualifies for this faster review, you will receive a verbal decision within 72 hours of the Department getting your request.
If you are dissatisfied with the resolution reached through our internal grievance system regarding medical necessity, you may contact the Director, Office of the Health Care Ombudsman and Bill of Rights at the following:

For medically necessary cases:
District of Columbia Department of Health Care Finance
Office of the Health Care Ombudsman and Bill of Rights
One Judiciary Square
441 4th St. N.W., 250 North
Washington, D.C. 20001
Phone: 1 (877) 685-6391, (202) 724-7491
Fax: (202) 442-6724
E-mail: healthcareombudsman@dc.gov

In this section, Director means the Director of the Department of Health Care Finance.

If you are dissatisfied with the resolution reached through our internal grievance system regarding all other grievances, you may contact the Commissioner at the following:

For Non–medically necessary cases:
Commissioner
Department of Insurance, Securities and Banking (DISB)

Washington, D.C. 20002
Phone: (202) 727-8000
Fax: (202) 671-0650
Email: disbcomplaints@dc.gov

In this section, grievance means a written request by a member or a member representative for review of a decision of an insurer to deny, reduce, limit, terminate or delay a benefit to a member, including regarding:

- A determination about the medical necessity, appropriateness, or level of care, health-care setting, or effectiveness of a treatment
- A determination as to whether treatment is experimental
- An insurer’s decision to rescind coverage
- The failure to provide or make payment that is based on a determination of your eligibility to participate in a plan
- Whether a wellness incentive has been properly applied
- Whether you were given a reasonable alternate option for satisfying a wellness plan when required

In this section, a grievance decision means a determination accepting or denying the basis or requested remedy of the grievance.

Recordkeeping
We will keep the records of all complaints and appeals for at least 10 years.

Fees and expenses
We do not pay any fees or expenses incurred by you when you submit a complaint or appeal.
Coordination of benefits

Some people have dental coverage under more than one plan. If you do, we will work together with your other plans to decide how much each plan pays. This is called coordination of benefits (COB).

Key terms
Here are some key terms we use in this section. These terms will help you understand this COB section.

Allowable expense means:
- A dental care expense that any of your dental plans cover to any degree. If the dental care service is not covered by any of the plans, it is not an allowable expense. For example, cosmetic surgery generally is not an allowable expense under this plan.

In this section we talk about other “plans” which are those plans where you may have other coverage for dental care expenses, such as:
- Group or non-group, blanket, or franchise health insurance policies issued by insurers, HMOs, or health care service contractors
- Labor-management trustee plans, labor organization plans, policyholder organization plans, or employee benefit organization plans
- An automobile insurance policy
- Governmental benefits
- Any contract that you can obtain or maintain only because of membership in or connection with a particular organization or group

Here’s how COB works
- The primary plan pays first. When this is the primary plan, we will pay your claims first as if the other plan does not exist.
- The secondary plan pays after the primary plan. When this is the secondary plan, we will pay benefits after the primary plan and will reduce the payment based on any amount the primary plan paid.
- We will never pay an amount that, when combined with payments from your other coverage, add up to more than 100% of the allowable expenses.
**Determining who pays**

Reading from top to bottom the first rule that applies will determine which plan is primary and which is secondary.

A plan that does not contain a COB provision is always the primary plan.

**Other dental coverage updates – contact information**
You should contact us if you have any changes to your other coverage. We want to be sure our records are accurate so your claims are processed correctly.

**Right to receive and release needed information**
We have the right to release or obtain any information we need for COB purposes. That includes information we need to recover any payments from your other dental plans.

**Right to pay another carrier**
Sometimes another plan pays something we would have paid under your plan. When that happens, we will pay your plan benefit to the other plan.

**Right of recovery**
If we pay more than we should have under the COB rules, we may recover the excess from:
- Any person we paid or for whom we paid
- Any other plan that is responsible under these COB rules
When coverage ends

Coverage can end for a number of reasons. This section tells you how and why coverage ends.

When will your coverage end?
Coverage under this plan will end if:

- This plan is no longer available
- You voluntarily stop your coverage
- The group policy ends
- You are no longer eligible for coverage
- Your employment ends
- You do not pay any required premium payment
- We end your coverage
- You become covered under another dental plan offered by your policyholder

Your coverage will end on either the date your employment ends or the day before the first premium contribution due date that occurs after you stop active work.
**When coverage may continue under the plan**

Your coverage under this plan will continue if:

<table>
<thead>
<tr>
<th>Scenario</th>
<th>Conditions</th>
</tr>
</thead>
</table>
| Your employment ends because of **illness**, injury, sabbatical or other authorized leave as agreed to by the policyholder and us. | If **premium** payments are made for you, you may be able to continue coverage under the plan as long as the policyholder and we agree to do so and as described below:  
  - Your coverage may continue, until stopped by the policyholder, but not beyond 30 months from the start of your absence. |
| Your employment ends because of a temporary lay-off, temporary leave of absence, sabbatical, or other authorized leave as agreed to by the policyholder and us. | If **premium** payments are made for you, you may be able to continue coverage under the plan as long as the policyholder and we agree to do so and as described below:  
  - Your coverage will stop on the date that your employment ends. |
| Your employment ends because either:  
  - Your job has been eliminated  
  - You have been placed on severance  
  - This plan allows former employees to continue their coverage | You may be able to continue coverage. See the *Special coverage options after your plan coverage ends* section. |
| Your employment ends because of a paid or unpaid medical leave of absence | If **premium** payments are made for you, you may be able to continue coverage under the plan as long as the policyholder and we agree to do so and as described below:  
  - Your coverage may continue until stopped by the policyholder but not beyond 30 months from the start of the absence. |
| Your employment ends because of a leave of absence that is not a medical leave of absence | If **premium** payments are made for you, you may be able to continue coverage under the plan as long as the policyholder and we agree to do so and as described below:  
  - Your coverage may continue until stopped by the policyholder but not beyond 1 month from the start of the absence. |
| Your employment ends because of a military leave of absence. | If **premium** payments are made for you, you may be able to continue coverage under the plan as long as the policyholder and we agree to do so and as described below:  
  - Your coverage may continue until stopped by the policyholder but not beyond 24 months from the start of the absence. |
Notification of when your employment ends
It is the policyholder’s responsibility to let us know when your employment ends. The limits above may be extended only if we and the policyholder agree in writing to extend them.

When will coverage end for any dependents?
Coverage for your dependent will end if:
- Your dependent is no longer eligible for coverage
- The group policy ends
- You do not make the required premium contribution toward the cost of dependents’ coverage
- Your coverage ends for any of the reasons listed above

In addition, coverage for your domestic partner will end on the earlier of:
- The date this plan no longer allows coverage for domestic partners.
- The date the domestic partnership ends. For domestic partnerships, you should provide the policyholder a completed and signed Declaration of Termination of Domestic Partnership.

Your dependent's coverage will end on the earlier of the date the group policy terminates or as defined by the policyholder.

What happens to your dependents if you die?
Coverage for dependents may continue for some time after your death. See the Special coverage options after your plan coverage ends section for more information.

Why would we end your coverage?
We will give you 30 days advance written notice before we end your coverage because you commit fraud or intentionally misrepresent yourself when you applied for or obtained coverage. You can refer to the General provisions – other things you should know section for more information on loss of coverage.

On the date your coverage ends, we will refund to the policyholder any prepayments for periods after the date your coverage ended.
Special coverage options after your plan coverage ends

This section explains options you may have after your coverage ends under this plan. Your individual situation will determine what options you will have.

Consolidated Omnibus Budget Reconciliation Act (COBRA)
The federal COBRA law usually applies to employers of group sizes of 20 or more. It gives employees and most of their covered dependents the right to keep their dental coverage for 18, 29 or 36 months after a qualifying event. The qualifying event is something that happens that results in you losing your coverage.

The qualifying events are:
- Your active employment ends for reasons other than gross misconduct
- Your working hours are reduced
- You divorce or legally separate and are no longer responsible for dependent coverage
- You become entitled to benefits under Medicare
- Your covered dependent children no longer qualify as dependents under the plan
- You die
- You are a retiree eligible for retiree health coverage and your former employer files for bankruptcy

Talk with your employer if you have questions about COBRA or to enroll.

Continuation of coverage for other reasons
What exceptions are there for dental work when coverage ends?
Your dental coverage may end while you or your covered dependent are in the middle of treatment. The plan does not cover dental services that are given after your coverage terminates. There is an exception. The plan will cover the following services if they are ordered while you were covered by the plan, and installed within 30 days after your coverage ends:
- Inlays
- Onlays
- Crowns
- Removable bridges
- Cast or processed restorations
- Dentures
- Fixed partial dentures (bridges)
- Root canals

Ordered means:
- For a denture: The impressions from which the denture will be made were taken
- For a root canal: The pulp chamber was opened
- For any other item: The teeth which will serve as retainers or supports, or the teeth which are being restored:
  - Must have been fully prepared to receive the item
  - Impressions have been taken from which the item will be prepared
How can you extend coverage for your disabled child beyond the plan age limits?
You have the right to extend dental coverage for your dependent child beyond the plan age limits. If your disabled child:

- Is not able to be self-supporting because of mental or physical disability
- Depends mainly (more than 50% of income) on you for support

The right to coverage will continue only as long as a **physician** certifies that your child still is disabled.

We may ask you to send us proof of the disability within 31 days of the date coverage would have ended. Before we extend coverage, we may ask that your child get a physical exam. We will pay for that exam.

We may ask you to send proof that your child is disabled after coverage is extended. We won’t ask for this proof more than once a year. You must send it to us within 31 days of our request. If you don’t, we can terminate coverage for your dependent child.

Your disabled child's coverage will end on the earlier of:

- The date the child is no longer disabled and dependent upon you for support
- As explained in the *When will coverage end for any dependents* section

How can you extend coverage for a child in college on medical leave?
You have the right to extend coverage for your dependent college student who takes a **medically necessary** leave of absence from school. The right to coverage will be extended until the earlier of:

- One year after the leave of absence begins
- The date coverage would otherwise end

To extend coverage the leave of absence must:

- Begin while the dependent child is suffering from a serious **illness** or **injury**
- Cause the dependent child to lose status as a full-time student under the plan
- Be certified by the treating **physician** as **medically necessary** due to a serious **illness** or **injury**

We must receive documentation or certification of the **medical necessity** for a leave of absence either:

- At least 30 days prior to the absence, if the medical reason for the absence and the absence are foreseeable
- 30 days after the start date of the medical leave of absence from school

The **physician** treating your child will be asked to keep us informed of any changes.

**Reinstatement**
If your coverage ends because you have not paid your **premium**, you may not be covered again for a period of 2 years from the date your coverage ends. If you are in an eligible class, you may request reinstatement of coverage for yourself and your eligible dependents at the end of such 2 years period. Your dental coverage will be subject to the rules under the *Late entrant rule* section and will be effective as described in the *Effective date of coverage* section.
General provisions – other things you should know

Administrative provisions

How you and we will interpret this booklet-certificate
We prepared this booklet-certificate according to ERISA, and according to other federal and state laws that apply. You and we will interpret it according to these laws. Also, you are bound by our interpretation of this booklet-certificate when we administer your coverage, so long as we use reasonable discretion.

How we administer this plan
We apply policies and procedures we’ve developed to administer this plan.

Who’s responsible to you
We are responsible to you for what our employees and other agents do.

Coverage and services

Your coverage can change
Your coverage is defined by the group policy. This document may have amendments and riders too. Under certain circumstances, we or the policyholder or the law may change your plan. When an emergency or epidemic is declared, we may modify or waive requirements under the plan or your cost share if you are affected. Only we may waive a requirement of your plan. No other person, including the policyholder or provider, can do this.

Financial sanctions exclusions
If coverage provided under this booklet-certificate violates or will violate any economic or trade sanctions, the coverage will be invalid immediately. For example, we cannot pay for eligible dental services if it violates a financial sanction regulation. This includes sanctions related to a person or a country under sanction by the United States, unless it is allowed under a written license from the Office of Foreign Assets Control (OFAC). You can find out more by visiting http://www.treasury.gov/resource-center/sanctions/Pages/default.aspx.

Legal action
You must complete the appeal process before you take any legal action against us for any expense or bill. See the When you disagree - claim decisions and appeals procedures section. You cannot take any action until 60 days after we receive written submission of claim.

No legal action can be brought to recover payment under any benefit after 3 years from the deadline for filing claims.

Physical examinations and autopsy
At our expense, we have the right to have a provider of our choice examine you. This will be done at all reasonable times while a claim for benefits is pending or under review.
Records of expenses
You should keep complete records of your expenses. They may be needed for a claim.

Things that would be important to keep are:
- Names of dental providers, dentists and other providers who provide services
- Dates expenses are incurred
- Copies of all bills and receipts

Honest mistakes and intentional deception
Honest mistakes
You or the policyholder may make an honest mistake when facts are shared with us. When we learn of the mistake, we may make a fair change in premium contribution or in your coverage. If we do, we will tell you what the mistake was. We won’t make a change if the mistake happened more than 2 years before we learned of it.

Intentional deception
If we learn that you defrauded us or you intentionally misrepresented material facts, we can take actions that can have serious consequences for your coverage. These serious consequences include, but are not limited to:
- Loss of coverage, starting at some time in the past. If we paid claims for your past coverage, we will want the money back.
- Loss of coverage going forward.
- Denial of benefits.
- Recovery of amounts we already paid.

We also may report fraud to criminal authorities.

Some other money issues
Assignment of benefits
When you see in-network providers they will bill us directly. When you see out-of-network providers, we may choose to pay you or to pay the providers directly. Unless we have agreed to do so in writing and to the extent allowed by law, we will not accept an assignment to an out-of-network provider under this group policy. This may include:
- The benefits due
- The right to receive payments
- Any claim you make for damages resulting from a breach, or alleged breach, of the terms of this group policy

To request assignment you must complete an assignment form. The assignment form is available from the policyholder. The completed form must be sent to us for consent.

Recovery of overpayments
We sometimes pay too much for eligible dental services or pay for something that this plan doesn’t cover. If we do, we can require the person we paid – you or your provider – to return what we paid. If we don’t do that we have the right to reduce any future benefit payments by the amount we paid by mistake.

Premium contribution
This plan requires the policyholder to make premium contribution payments. If payments are made through a payroll deduction with the policyholder, the policyholder will forward your payment to us. We will not pay benefits under this booklet-certificate if premium contributions are not made. Any benefit payment denial is subject to our appeals procedure. See the When you disagree - claim decisions and appeals procedures section.
Payment of premiums
The first premium payment for this policy is due on or before your effective date of coverage. Your next premium payment will be due the 1st of each month ("premium due date"). Each premium payment is to be paid to us on or before the premium due date.

Your dental information
We will protect your dental information. We will only use or share it with others as needed for your care and treatment. We will also use and share it to help us process your providers' claims and manage your plan.

You can get a free copy of our Notice of Privacy Practices. Just call us. When you accept coverage under this plan, you agree to let your providers share your information with us.

Effect of prior plan coverage
If you are in a continuation period from a prior plan at the time you join this plan you may not receive the full benefit paid under this plan. Your current and prior plan must be offered through the same policyholder.
Glossary

Aetna®
Aetna Life Insurance Company, an affiliate, or a third party vendor under contract with Aetna.

Calendar year
A period of 12 months beginning on January 1st and ending on December 31st.

Calendar year maximum
This is the most this plan will pay for eligible dental services incurred by you during the Calendar Year.

Civil union
A same-sex relationship similar to marriage that is recognized as a civil union by the District of Columbia.

Coinsurance
Coinsurance is the percentage of the bill that you and this plan have to pay for an eligible dental service. The schedule of benefits shows the percentage that this plan pays.

Cosmetic
Services, drugs or supplies that are primarily intended to alter, improve or enhance your appearance.

Covered benefits
Eligible dental services that meet the requirements for coverage under the terms of this plan.

Deductible
The amount you pay for eligible dental services per Calendar Year before your plan starts to pay.

Dental emergency
Any dental condition that:
- Occurs unexpectedly
- Requires immediate diagnosis and treatment in order to stabilize the condition
- Is characterized by symptoms such as severe pain and bleeding

Dental emergency services
Services and supplies given by a dental provider to treat a dental emergency.

Dental emergency services maximum
The most the plan will pay for eligible dental services incurred by any one covered person for any one dental emergency.

Dental provider
Any individual legally qualified to provide dental services or supplies.

Dentist
A legally qualified dentist licensed to do the dental work he or she performs.
Directory
The list of in-network providers for your plan. The most up-to-date provider directory for your plan appears on our self-service website. When searching for in-network providers, you need to make sure that you are searching for providers that participate in your specific plan. In-network providers may only be considered in-network providers for certain Aetna plans.

Domestic partner
An unmarried same or opposite sex adult who resides with the covered person and has registered in a state or local domestic partner registry with a covered person; or who meets the eligibility rules set by your employer and requirements under state law.

Effective date of coverage
The date your coverage begins under this booklet-certificate as noted in our records.

Eligible dental services
The benefits, subject to varying cost shares, covered in this plan. These are:
- Listed and described in the schedule of benefits.
- Not listed as an exception or exclusion in these sections:
  - What are your eligible dental services?
  - What rules and limits apply to dental care?
  - Exclusions.
- Not beyond any maximums and limitations in the What rules and limits apply to dental care? section and schedule of benefits.
- Medically necessary. See the Medical necessity requirements section and the Glossary for more information.

Experimental or investigational
A drug, device, procedure, or treatment that we find is experimental or investigational because:
- There is not enough outcome data available from controlled clinical trials published in the peer-reviewed literature to validate its safety and effectiveness for the illness or injury involved.
- The needed approval by the Food and Drug Administration (FDA) has not been given for marketing.
- A national medical or dental society or regulatory agency has stated in writing that it is experimental or investigational or suitable mainly for research purposes.
- It is the subject of a Phase I, Phase II or the experimental or research arm of a Phase III clinical trial. These terms have the meanings given by regulations and other official actions and publications of the FDA and Department of Health and Human Services.
- Written protocols or a written consent form used by a facility provider state that it is experimental or investigational.
- It is provided or performed in a special setting for research purposes.

Group policy
The group policy consists of several documents taken together. These documents are:
- The group application
- The group policy
- The booklet-certificates
- The schedule of benefits
- Any amendments or riders to the group policy the booklet-certificate, and the schedule of benefits
**Health professional**
A person who is licensed, certified or otherwise authorized by law to provide medical or dental care services to the public. For example, providers and dental assistants.

**Illness**
Poor health resulting from disease of the teeth or gums.

**Injury or injuries**
Physical damage done to the teeth or gums.

**In-network provider**
A provider listed in the directory for your plan.

**Lifetime maximum**
This is the most this plan will pay for eligible dental services incurred by a covered person during their lifetime.

**Medically necessary/medical necessity**
Dental care services or supplies that prevent, evaluate, diagnose or treat an illness, injury, disease or its symptoms, and that are all of the following, as determined by us within our discretion:
- In accordance with “generally accepted standards of dental practice”
- Clinically appropriate, in terms of type, frequency, extent, site and duration, and considered effective for your illness, injury or disease
- Not primarily for your convenience, the convenience of your dentist, or other health care provider
- Not more costly than an alternative service or sequence of services at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your illness, injury or disease

Generally accepted standards of dental practice means:
- Standards that are based on credible scientific evidence published in peer-reviewed dental literature generally recognized by the relevant dental community and
- Following the standards set forth in our clinical policies and applying clinical judgment

The fact that a provider may prescribe, authorize, or direct a service does not of itself make it medically necessary or covered by the group policy.

---

**Important note:**
We develop and maintain clinical policy bulletins that describe the generally accepted standards of dental practice, credible scientific evidence, and prevailing clinical guidelines that support our decisions regarding specific services. We use these bulletins and other resources to help guide individualized coverage decisions under our plans and to determine whether an intervention is experimental or investigational. They are subject to change. You can find these bulletins and other information at https://www.aetna.com/health-care-professionals/clinical-policy-bulletins.html. You can also contact us. See the How to contact us for help section.
**Negotiated charge**
This is either:
- The amount **in-network providers** have agreed to accept
- The amount we agree to pay directly to **in-network providers** or third party vendors (including any administrative fee in the amount paid)

for providing **eligible dental services** to covered persons in the plan.

**Orthodontic treatment**
This is any:
- Medical service or supply
- Dental service or supply

furnished to prevent or to diagnose or to correct a misalignment:
- Of the teeth
- Of the bite
- Of the jaws or jaw joint relationship

whether or not for the purpose of relieving pain.

**Orthodontic treatment lifetime maximum**
The most the plan will pay for **eligible dental services** for **orthodontic treatment** that you incur during your lifetime.

**Out-of-network provider**
A **provider** who is not an **in-network provider** and does not appear in the **directory** for your plan.

**Physician**
A skilled **health professional** trained and licensed to practice medicine under the laws of the state where they practice, specifically, doctors of medicine or osteopathy.

**Premium**
The amount you or the policyholder are required to pay to **Aetna** to continue coverage.

**Provider**
A **dentist**, or other entity or person licensed, or certified under applicable state and federal law to provide dental care services to you.
**Recognized charge**
The amount of an out-of-network provider’s charge that is eligible for coverage. You are responsible for all amounts above what is eligible for coverage. The recognized charge may be less than the provider’s full charge.

The recognized charge depends upon the geographic area where you receive the eligible dental service. The table below shows the method for calculating the recognized charge for specific services or supplies:

<table>
<thead>
<tr>
<th>Service or supply</th>
<th>Recognized charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Eligible dental expenses</td>
<td>80% of the prevailing rate</td>
</tr>
</tbody>
</table>

**Important note:** If the provider bills less than the amount calculated using the method above, the recognized charge is what the provider bills.

**Recognized charge** does not apply to:
- Involuntary services
- Out-of-network dental emergency services

Special terms used:
- Geographic area is normally based on the first three digits of the U.S. Postal Service zip codes. If we determine we need more data for a particular service or supply, we may base rates on a wider geographic area such as an entire state.
- Involuntary services are eligible dental services that are one of the following:
  - Not available from an in-network provider
  - Dental emergency services
We will calculate your cost share for involuntary services in the same way as we would if you received the services from an in-network provider.
- Prevailing rate is the percentile value reported in a database prepared by FAIR Health, a nonprofit company. FAIR Health changes these rates periodically. We update our systems with these changes within 180 days after receiving them from FAIR Health. If the FAIR Health database becomes unavailable, we have the right to substitute a different database that we believe is comparable.

**Get the most value out of your benefits:**
We have online tools to help you decide the type of care to get and where. Our self-service website offers tools to help you determine the cost of eligible dental services, compare in-network providers and schedule office visits with them. See the How to contact us for help section for the website.

**Spouse**
A person of the same or opposite sex who is legally married to the insured under the laws of the state or jurisdiction in which the marriage took place.
**Teledentistry**
A consultation between you and a **dental provider** who is performing a clinical dental service.

Services can be provided by:
- Two-way audiovisual teleconferencing
- Any other method permitted by state law

**Temporomandibular joint dysfunction/disorder (TMJ)**
This is:
- A **TMJ** or any similar disorder of the jaw joint
- A myofascial pain dysfunction (MPD) of the jaw
- Any similar disorder in the relationship between the jaw joint and the related muscles and nerves
Discount arrangements
We can offer you discounts on health care related goods or services. Sometimes, other companies provide these discounted goods and services. These companies are called “third party service providers”. These third party service providers may pay us so that they can offer you their services.

Third party service providers are independent contractors. The third party service provider is responsible for the goods or services they deliver. We are not responsible; but we have the right to change or end the arrangements at any time.

These discount arrangements are not insurance. We don’t pay the third party service providers for the services they offer. You are responsible for paying for the discounted goods or services.

Wellness and other rewards
You may be eligible to earn rewards for completing certain activities that improve your health, coverage and experience with us. We may encourage you to access certain dental services or categories of dental providers, participate in programs, including but not limited to financial wellness programs, utilize tools, improve your health metrics or continue participation as an Aetna member through incentives. We may provide incentives based on your participation and outcomes such as:

- Modifications to maximum, deductible or coinsurance amounts
- Merchandise
- Coupons
- Gift cards or debit cards
- Any combination of the above
Additional Information Provided by
The George Washington University

The following information is provided to you in accordance with the Employee Retirement Income Security Act of 1974 (ERISA). It is not a part of your booklet-certificate. Your Plan Administrator has determined that this information together with the information contained in your booklet-certificate is the Summary Plan Description required by ERISA.

In furnishing this information, Aetna is acting on behalf of your Plan Administrator who remains responsible for complying with the ERISA reporting rules and regulations on a timely and accurate basis.

**Name of Plan:**

Ashburn, VA 20147

Service of legal process may also be made upon the Plan Administrator

**End of Plan Year:**
December 31
**Source of Contributions:**
Employer and Employee

**Procedure for Amending the Plan:**
The Employer may amend the Plan from time to time by a written instrument signed by Janet E. Monaco, Benefits Administration.

**ERISA Rights**
As a participant in the group insurance plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974. ERISA provides that all plan participants shall be entitled to:

**Receive Information about Your Plan and Benefits**
Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), and an updated Summary Plan Description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Receive a copy of the procedures used by the Plan for determining a qualified domestic relations order (QDRO) or a qualified medical child support order (QMCSO).

**Continue Group Health Plan Coverage**
Continue health care coverage for yourself, your spouse, or your dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan for the rules governing your COBRA continuation coverage rights.

**Prudent Actions by Plan Fiduciaries**
In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in your interest and that of other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforce Your Rights**
If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to $ 110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator.
If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the Plan’s decision or lack thereof concerning the status of a domestic relations order or a medical child support order, you may file suit in a federal court.

If it should happen that plan fiduciaries misuse the Plan’s money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

**Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator.

If you have any questions about this statement or about your rights under ERISA, you should contact:

- the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
Confidentiality Notice
Aetna considers personal information to be confidential and has policies and procedures in place to protect it against unlawful use and disclosure. By "personal information," we mean information that relates to a member's physical or mental health or condition, the provision of health care to the member, or payment for the provision of health care or disability or life benefits to the member. Personal information does not include publicly available information or information that is available or reported in a summarized or aggregate fashion but does not identify the member.

When necessary or appropriate for your care or treatment, the operation of our health, disability or life insurance plans, or other related activities, we use personal information internally, share it with our affiliates, and disclose it to health care providers (doctors, dentists, pharmacies, hospitals and other caregivers), payors (health care provider organizations, employers who sponsor self-funded health plans or who share responsibility for the payment of benefits, and others who may be financially responsible for payment for the services or benefits you receive under your plan), other insurers, third party administrators, vendors, consultants, government authorities, and their respective agents. These parties are required to keep personal information confidential as provided by applicable law. In our health plans, participating network providers are also required to give you access to your medical records within a reasonable amount of time after you make a request.

Some of the ways in which personal information is used include claim payment; utilization review and management; medical necessity reviews; coordination of care and benefits; preventive health, early detection, vocational rehabilitation and disease and case management; quality assessment and improvement activities; auditing and anti-fraud activities; performance measurement and outcomes assessment; health, disability and life claims analysis and reporting; health services, disability and life research; data and information systems management; compliance with legal and regulatory requirements; formulary management; litigation proceedings; transfer of policies or contracts to and from other insurers, HMOs and third party administrators; underwriting activities; and due diligence activities in connection with the purchase or sale of some or all of our business. We consider these activities key for the operation of our health, disability and life plans. To the extent permitted by law, we use and disclose personal information as provided above without member consent. However, we recognize that many members do not want to receive unsolicited marketing materials unrelated to their health, disability and life benefits. We do not disclose personal information for these marketing purposes unless the member consents. We also have policies addressing circumstances in which members are unable to give consent.

To obtain a copy of our Notice of Privacy Practices, which describes in greater detail our practices concerning use and disclosure of personal information, please call the toll-free Member Services number on your ID card or visit our Internet site at www.aetna.com.
Continuation of Coverage During an Approved Leave of Absence Granted to Comply With Federal Law

This continuation of coverage section applies only for the period of any approved family or medical leave (approved FMLA leave) required by Family and Medical Leave Act of 1993 (FMLA). If your Employer grants you an approved FMLA leave for a period in excess of the period required by FMLA, any continuation of coverage during that excess period will be subject to prior written agreement between Aetna and your Employer.

If your Employer grants you an approved FMLA leave in accordance with FMLA, you may, during the continuance of such approved FMLA leave, continue Health Expense Benefits for you and your eligible dependents.

At the time you request the leave, you must agree to make any contributions required by your Employer to continue coverage. Your Employer must continue to make premium payments.

If Health Expense Benefits has reduction rules applicable by reason of age or retirement, Health Expense Benefits will be subject to such rules while you are on FMLA leave.

Coverage will not be continued beyond the first to occur of:

- The date you are required to make any contribution and you fail to do so.
- The date your Employer determines your approved FMLA leave is terminated.
- The date the coverage involved discontinues as to your eligible class. However, coverage for health expenses may be available to you under another plan sponsored by your Employer.

Any coverage being continued for a dependent will not be continued beyond the date it would otherwise terminate.

If Health Expense Benefits terminate because your approved FMLA leave is deemed terminated by your Employer, you may, on the date of such termination, be eligible for Continuation Under Federal Law on the same terms as though your employment terminated, other than for gross misconduct, on such date. If the group contract provides any other continuation of coverage (for example, upon termination of employment, death, divorce or ceasing to be a defined dependent), you (or your eligible dependents) may be eligible for such continuation on the date your Employer determines your approved FMLA leave is terminated or the date of the event for which the continuation is available.

If you acquire a new dependent while your coverage is continued during an approved FMLA leave, the dependent will be eligible for the continued coverage on the same terms as would be applicable if you were actively at work, not on an approved FMLA leave.

If you return to work for your Employer following the date your Employer determines the approved FMLA leave is terminated, your coverage under the group contract will be in force as though you had continued in active employment rather than going on an approved FMLA leave provided you make request for such coverage within 31 days of the date your Employer determines the approved FMLA leave to be terminated. If you do not make such request within 31 days, coverage will again be effective under the group contract only if and when Aetna gives its written consent.

If any coverage being continued terminates because your Employer determines the approved FMLA leave is terminated, any Conversion Privilege will be available on the same terms as though your employment had terminated on the date your Employer determines the approved FMLA leave is terminated.

Limited Benefit, Please Read Carefully
Schedule of benefits

This schedule of benefits lists the eligible dental services, deductibles, coinsurance, maximums, and other limits that apply to the services you get under this plan.

How to read your schedule of benefits

- When we say:
  - “In-network coverage” we mean that you get care from in-network providers.
  - “Out-of-network coverage” we mean that you can get care from out-of-network providers.
- The deductibles and coinsurance listed in the schedule of benefits below reflects the deductibles and coinsurance amounts under your plan.
- You must pay any deductibles and your part of the coinsurance.
- The coinsurance listed in the schedule of benefits reflects the plan coinsurance percentage. This is the coinsurance amount the plan pays. You are responsible for paying any remaining coinsurance.
- You must pay the full amount of any dental care services you get that are not a covered benefit or that exceed your Calendar Year maximums and lifetime maximums.
- This plan also has limits for some covered benefits. For example, these could be visit limits. They may be combined limits between or separate limits for in-network providers and out-of-network providers unless we state otherwise. See later in this schedule of benefits for information about limits.

Important note:
All covered benefits are subject to a Calendar Year deductible and coinsurance unless otherwise noted in the schedule of benefits below.

How to contact us for help

We are here to answer your questions:
- Register and log onto our self-service website available 24/7 at https://www.aetna.com/
- Call us at 1-877-238-6200

The coverage described in this schedule of benefits will be provided under Aetna Life Insurance Company’s group policy. This schedule of benefits replaces any schedule of benefits previously in effect under the group policy. Keep this schedule of benefits with your booklet-certificate.
General coverage provisions
This section explains the:
- Deductibles
- Maximums

Calendar Year deductible
Eligible dental services applied to the out-of-network deductibles will be applied to satisfy the in-network deductibles. Eligible dental services applied to the in-network deductibles will be applied to satisfy the out-of-network deductibles.

Individual deductible
You pay for eligible dental services each Calendar Year before this plan begins to pay. This individual deductible applies separately to you and each covered dependent. After the amount paid reaches the individual deductible, this plan starts to pay for eligible dental services for the rest of the Calendar Year.

Family deductible
You pay for eligible dental services each Calendar Year before this plan begins to pay. After the amount paid for eligible dental services reaches this family deductible, this plan starts to pay for eligible dental services for the rest of the Calendar Year. To satisfy this family deductible for the rest of the Calendar Year, the combined eligible dental services that you and each of your covered dependents incur toward the individual deductible must reach this family deductible in a Calendar Year. When this happens in a Calendar Year, the individual deductibles for you and your covered dependents are met for the rest of the Calendar Year.

Calendar Year maximum
The most the plan will pay for eligible dental services incurred by any one covered person in a Calendar Year is called the Calendar Year maximum.

This Calendar Year maximum applies to in-network and out-of-network eligible dental services combined.

Dental emergency services maximum
The most the plan will pay for eligible dental services incurred by any one covered person for any one dental emergency is called the dental emergency services maximum.

Specific dental care lifetime maximum
This is the most this plan will pay, after you have paid any deductible, for specific dental care treatment expenses incurred by any one covered person during their lifetime for eligible dental services.

These specific dental care lifetime maximums apply to in-network and out-of-network eligible dental services combined.

Any expenses applied to satisfy a specific dental care lifetime maximum will not be applied to satisfy any lifetime maximum.

Your financial responsibility and determination of benefits provisions
Your financial responsibility for the cost of services is based on when the service or supply is provided, not when payment is made. Benefits will be pro-rated to account for treatment that occurs in more than one Calendar Year. Determinations regarding when benefits are covered are subject to the terms and conditions of the booklet-certificate.
