THIS IS LIMITED BENEFIT INDEMNITY COVERAGE. PLEASE READ CAREFULLY.
Benefits are paid for Critical Illnesses as defined in the Certificate. The Policy does not constitute comprehensive health insurance coverage (often referred to as “major medical insurance coverage”). In addition, the Policy does not satisfy the requirement of minimum essential coverage under the Affordable Care Act. Benefits are paid under the Policy for Critical Illnesses as indemnity insurance and are not intended to cover medical expenses.

The Policy is available for you to review if you contact the Policyholder for more information. This is your Certificate as long as you are eligible for coverage and you become insured. Please read it carefully and keep it in a safe place. This Certificate replaces any other Certificates we may have given you for the same level of coverage under the Policy.

This Certificate summarizes and explains the parts of the Policy which apply to you. The Certificate is part of the group Policy but by itself is not a policy. Your coverage may be changed under the terms and conditions of the Policy. The Policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments.

For purposes of effective dates and ending dates under the Policy, all days begin at 12:01 a.m. standard time at the Policyholder's address and end at 12:00 midnight standard time at the Policyholder's address. The coverage under the Policy is conditionally renewable according to the terms and provisions of the Policy.

In this Certificate, “you” and “your” refer to an Employee who is eligible for coverage under the Policy; “we”, “us” and “our” refer to ReliaStar Life Insurance Company.

DEFINITIONS

Active Employment or Active Employee means you are working for the Employer for earnings that are paid regularly and you are performing the material and substantial duties of your regular occupation. You must be working at least the minimum number of hours as described under the MINIMUM HOURS REQUIREMENT shown in the SCHEDULE OF BENEFITS.

Your work site must be one of the following:
- The Employer's usual place of business;
- An alternative work site at the direction of the Employer, including your home; or
- A location to which your job requires you to travel.

Normal vacation is considered Active Employment.

Abdominal Aortic Aneurysm means the diagnosis of an enlargement of the abdominal aorta of 5 cm or more, or of 4 cm or greater and rapidly expanding, for which a surgical repair has been advised.

Addison’s Disease means the diagnosis of a long-term endocrine disorder that occurs when your body produces insufficient amounts of steroid hormones produced by your adrenal glands, confirmed via blood tests, urine tests, or medical imaging.

Advanced Dementia means a clinically established diagnosis of Alzheimer’s Disease, or other type of permanent and progressive advanced dementia, with severe cognitive decline and with findings consistent with a Global Deterioration Scale (GDS) or Functional Assessment Staging (FAST) Stage 3 or more, or a Clinical Dementia Rating Scale (CDR) of 1.

Amyotrophic Lateral Sclerosis (ALS) means the diagnosis of a motor neuron disease, marked by progressive muscular weakness and atrophy with spasticity and hyperreflexia due to a loss of motor neurons of the spinal cord, medulla and cortex.

Benign Brain Tumor means the diagnosis of a non-cancerous brain tumor confirmed by the examination of tissue (biopsy or surgical excision) or specific neurological examination. The tumor must result in persistent neurological deficits including, but not limited to:
- Loss of vision;
- Loss of hearing; or
- Balance disruption.

For purposes of the Policy, the following are not considered Benign Brain Tumors:
- Tumors of the skull;
- Pituitary adenomas; and
- Germinomas.

Benign Brain Tumor does not include diagnosis of any of the following conditions prior to your coverage effective date:
- Neurofibromatosis I;
- Neurofibromatosis II;
- Von Hippel Lindau;

It also includes a clinical diagnosis and actual transplant that occurs before you are able to be added to the Be The Match registry.
Cancer means the diagnosis of a group of diseases characterized by the uncontrolled growth and/or spread of abnormal cells. Cancer is limited to malignancies of solid tissue, blood or lymph tissue and includes leukemia, lymphoma and Hodgkin’s disease.

The diagnosis of Cancer must be established according to the criteria of the American Board of Pathology or the American Joint Committee on Cancer. This requires looking at the suspect tumor, tissue or specimen at the microscopic level such that malignancy may be determined. A clinical diagnosis of Cancer will be accepted as evidence that Cancer exists when a pathological diagnosis cannot be made because it is medically inappropriate or life-threatening.

For the purposes of the Policy, the following are not considered Cancer:
- Basal cell carcinoma and squamous cell carcinoma of the skin;
- Carcinoma in Situ;
- Melanoma that is diagnosed as Breslow’s classification less than 0.75mm;
- Pre-malignant conditions or polyps; and
- Any other histologically benign or nonmalignant condition.

Carcinoma in Situ (CIS) means the diagnosis of tumor cells tending toward malignancy but that do not invade the underlying tissue (i.e. malignant cells confined to the epithelium without penetration of the basement membrane). This diagnosis must be confirmed by a study of the suspect tissue in a pathologic specimen that meets the American Joint Committee on Cancer or the American Board of Pathology criteria.

For purposes of the Policy, the following are not considered Carcinoma in Situ:
- Basal cell carcinoma and squamous cell carcinoma of the skin;
- Melanoma that is diagnosed as Breslow’s classification less than 0.75mm; and

The condition must require intubation for respiratory assistance and must not be medically induced.

You must be in a continuous state of profound unconsciousness for 14 consecutive days or longer. In the event you die while you are in a Coma and confined to a Hospital, this time period will be considered to have been met regardless of the actual number of days in a continuous state of profound unconsciousness.

This includes coronary balloon angioplasty, angiojet clot removal, and rotational and orbital atherectomy procedures.

Coronary Artery Bypass means the diagnosis of severe left main or multi-vessel coronary artery disease (such as a SYNTAX score ≥23) for which an open heart coronary artery bypass surgery – a surgical procedure that requires an incision through the chest and an incision in the heart and/or attached blood vessels – has been advised.

If we terminate the Policy for reasons other than the Policyholder's failure to pay premiums, Written notice will be mailed to the Policyholder at least 60 days prior to the termination date.

The Policyholder may terminate the Policy by Written notice delivered to us at our home office prior to the termination date. When both the Policyholder and we agree, the Policy can be terminated on an earlier date.

If the Policyholder or we terminate the Policy, coverage will end at 12:00 midnight standard time at the Policyholder's address on the termination date.

If the Policy is terminated, the termination will not affect a payable claim.

PORTABILITY
Portability means you have the option to continue your coverage after it would otherwise terminate if certain conditions are met.

You may continue your coverage if it would otherwise terminate due to any of the following:
• You retire or terminate employment with the Employer, if coverage remains in effect under the Policy for other Active Employees.
• The Policyholder terminates coverage under the Policy for all Insured Persons, and does not replace it with similar insurance coverage.
• You are no longer eligible for coverage under the Policy.

The Employer or we will provide you with the information needed to continue your coverage under this provision. Continuation of coverage must be elected within 31 days of when it would otherwise terminate. Coverage continued under this provision is subject to all the terms of this Certificate.

You may not increase the continued coverage amount. Continued premium payment is required to keep coverage in force. Premiums will be billed directly to you. The initial premium will be based on the portability premium rates in effect at the time you are eligible to continue your coverage under this provision. We may change the portability premium rates at any time upon 60 days Written notice to you.

Coverage continued under this provision will end on the earliest of the following:
• The end of the period for which premiums are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
• The date you die.
• The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.
GRACE PERIOD
The Policyholder has a grace period of 60 days for the payment of any premium due except the first premium payment. During the Policyholder’s grace period, the Policy will remain in force. If the full premium payment is not received by us by the end of the grace period, the Policy will automatically terminate at the end of the grace period. The Policyholder is required to pay a pro rata premium for any period the Policy was in force during the grace period. There is no grace period if the Policyholder gives us advance Written notice of termination, or if we have given the Policyholder advance Written notice of termination as described under the POLICY TERMINATION provision.

If you are continuing your coverage under the PORTABILITY provision, you have a grace period of 31 days for the payment of any premium due. During your grace period, your coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to you that if the premium is not paid by the end of the grace period, all coverage will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to you, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your coverage was in force during the grace period.

REPRESENTATIONS NOT WARRANTIES
All statements made by the Policyholder and you are considered representations and not warranties.

INCONTESTABILITY
We will not use any statements made by you to avoid insurance, reduce benefits or defend a claim unless the statement is included in a Written application or enrollment form relating to your insurability. Except for fraud, we will not use such statements to contest insurance after it has been in force for two years from its effective date. Fraud in the procurement of coverage under the Policy is only contestable after the coverage has been in force for two years from its effective date if permitted by applicable law in the governing jurisdiction. The statement on which any contest is based must be material to the risk accepted or the hazard assumed by us.

CLERICAL ERROR
Clerical error or omission by the Policyholder or us will not:
- Prevent you from being covered, if you are entitled to coverage under the terms of the Policy.
- Cause coverage to begin or continue for you when the coverage would not otherwise be effective.
- End insurance validly in effect.

If the Policyholder gives us information about you that is incorrect, we will do both of the following:
- Use the facts to decide whether you are eligible for coverage under the Policy and in what amounts.
- Make a fair adjustment of the premium.

MISSTATEMENT OF AGE
If premiums are based on your age and you have misstated your age, then your correct age will be used to determine if any insurance is in effect and, as appropriate, the premium and/or benefits will be adjusted. We may require satisfactory proof of your age before paying any claim.

ASSIGNMENT
No assignment of benefits under the Policy is valid unless otherwise specified in the Policy.

AGENCY
For purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed our agent.

REINSTATEMENT
We will not reinstate the Policy after it has terminated. To become insured after insurance has stopped, the Policyholder must submit a new application.
CONFORMITY WITH STATE STATUTES
Any provision of the Policy which, on the Policy effective date and each subsequent Policy anniversary date, conflicts with any law that applies in the governing jurisdiction is automatically amended to conform to the minimum requirements of such law.

CHANGES TO POLICY OR CERTIFICATE
The Policy may be amended at any time by Written agreement between the Policyholder and us. No change in the Policy will be valid until approved by one of our executive officers. Such approval must be in Writing and will be endorsed or attached to the Policy. Changes requiring regulatory approval will not be valid until approved by the appropriate regulatory body. We will issue new Certificates or riders or endorsements to effect such changes, and only those forms Signed by one of our executive officers will be valid.

No agent, representative or employee of ours or of any other entity, except one of our executive officers, may approve a change to waive any terms of the Policy.
CRITICAL ILLNESS BENEFITS

We will pay the BENEFIT AMOUNT as shown on the SCHEDULE OF BENEFITS if you are diagnosed with a Critical Illness on or after your coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on the SCHEDULE OF BENEFITS.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of this certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on the SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable to you for each Critical Illness in the Certificate during your lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your coverage (including all riders) terminates.

BASE MODULE

Benefits for Heart Attack, Sudden Cardiac Arrest, Cancer, Stroke, Major Organ Transplant, Coronary Artery Bypass and Carcinoma in Situ (CIS) are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Heart Attack or Sudden Cardiac Arrest or Coronary Artery Bypass must be made by a cardiologist or a Doctor familiar with the specific condition, or as indicated by an autopsy report or a death certificate. A diagnosis of Stroke must be made by a neurologist or a Doctor familiar with the diagnosis of Stroke, or as indicated by an autopsy report or a death certificate.

If you are on the UNOS (United Network for Organ Sharing) list for a combined transplant, only one Major Organ Transplant benefit will be payable for the diagnosis. Acceptance on the UNOS list is not required in the case of kidney failure. The “date of diagnosis” for this benefit will be the later of the following:

- The date of diagnosis of the Critical Illness, if it is determined you are not healthy enough to be placed on the UNOS list or you are rejected from the list.
- The date you are placed on the UNOS list for a combined transplant.
- The date of your transplant if the UNOS list requirement was waived.

MAJOR ORGAN MODULE

Benefits for Severe Burns, Transient Ischemic Attacks (TIA), Ruptured or Dissecting Aneurysm, Abdominal Aortic Aneurysm, Thoracic Aortic Aneurysm and Coronary Angioplasty are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Ruptured or Dissecting Aneurysm, or Transient Ischemic Attacks (TIA) must be confirmed by a neurologist or a Doctor familiar with the diagnosis of the specific condition.

A diagnosis of Abdominal Aortic Aneurysm, or Thoracic Aortic Aneurysm, or Open Heart Surgery for Valve Replacement or Repair, or Transcatheter Heart Valve Replacement or Repair, or Coronary Angioplasty, or Implantable (or Internal) Cardioverter Defibrillator (ICD) Placement, or Pacemaker Placement must be made by a cardiologist or a Doctor familiar with the diagnosis of the specific condition.
QUALITY OF LIFE MODULE
A Critical Illness under this module, other than Coma and Infectious Disease, is not eligible for multiple benefit payments.

Benefits for Permanent Paralysis, Loss of Sight, Loss of Hearing, Loss of Speech, Coma, Multiple Sclerosis, Amyotrophic Lateral Sclerosis (ALS), Advanced Dementia, including Alzheimer’s Disease, Huntington’s Disease (Huntington’s Chorea), Muscular Dystrophy, Infectious Disease, Addison’s Disease, Myasthenia Gravis, Systemic Lupus Erythematosus (SLE) and Systemic Sclerosis (Scleroderma) are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Loss of Sight must be certified by an ophthalmologist or a Doctor familiar with the diagnosis of Loss of Sight.

A diagnosis of Loss of Hearing must be made by an otolaryngologist or a Doctor familiar with the diagnosis of Loss of Hearing.

A diagnosis of Advanced Dementia must be made by a board certified or board eligible neurologist or a Doctor familiar with the diagnosis of Advanced Dementia.

A diagnosis of Muscular Dystrophy, or Myasthenia Gravis, or Multiple Sclerosis or Huntington’s Disease (Huntington’s Chorea) must be made by a neurologist or a Doctor familiar with the diagnosis of the specific condition. Genetic testing does not qualify as a diagnosis.

A diagnosis of Systemic Lupus Erythematosus (SLE) or Systemic Sclerosis (Scleroderma) must be confirmed by a rheumatologist or a Doctor familiar with the diagnosis of the specific condition.

Only one benefit for Infectious Disease is payable if the diagnosis of one or more Infectious Diseases is made during the same period of confinement.

Benefits for Parkinson’s Disease are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage) or you become incapacitated, meaning:

  - Transferring; and
  - Maintaining continence.

A diagnosis of Parkinson’s Disease must be made by a psychiatrist, neurologist or a Doctor trained in the diagnosis of Parkinson’s Disease.

Benefits for Occupational HIV or Hepatitis B or C are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage). The accident must be reported in accordance with the established occupational procedures for such accidents. You must have undergone a blood test within five days of the accident. Such blood test must indicate the absence of HIV or antibodies to such a virus, or Hepatitis B or C. The accident follow-up must include a subsequent blood test within 12 months following the accidental exposure indicating the presence of HIV or antibodies to such a virus, or Hepatitis B or C. The date of diagnosis is the date on which the follow-up blood test results are received.
ENHANCED CANCER MODULE
Benefits for Benign Brain Tumor, Skin Cancer, Bone Marrow Transplant and Stem Cell Transplant are payable when we receive due proof of such condition which is diagnosed on or after your coverage effective date (including the effective date of any changes to coverage).
CLAIMS

NOTICE OF CLAIM
Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM
The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM
The claim form(s) may require completion by you and the Employer and your attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM
You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION
We may require you to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while your claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS
Benefits are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible, but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid to the first survivor(s) who is/are living on the date of your death, in the following order:

1. Your spouse.
3. Your grandchildren, in equal shares.
4. Your parents, in equal shares.
5. Your siblings, in equal shares.
6. Your estate.

If a survivor entitled to receive a payment dies before receiving it, we will make payment to that person’s estate.

“Spouse” in this provision means a person of the same or opposite sex who is legally married to you under the laws of the state or jurisdiction in which the marriage took place. Whenever the term Spouse appears in the Policy, this provision includes a Civil Union Partner or Domestic Partner as defined in the Policy. “Civil Union Partner” means your partner in a same-sex relationship similar to marriage that is recognized as a civil union by the District of Columbia. “Domestic Partner” means an unmarried same or opposite sex adult who resides with you and with whom you have registered in a state or local domestic partner registry.

If a survivor entitled to receive a payment has a special needs trust established, we will make payment to that person’s trust instead of to the person directly.
Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

**LEGAL ACTION**

You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

SPOUSE CRITICAL ILLNESS BENEFITS
The benefit percentages and maximums for your Spouse are the same as the benefit percentages and maximums for you as shown in the SCHEDULE OF BENEFITS section of the Certificate.

DEFINITIONS
General terms defined in the DEFINITIONS section of the Certificate regarding medical conditions and eligibility apply to your Spouse.

Civil Union Partner means your partner in a same-sex relationship similar to marriage that is recognized as a civil union by the District of Columbia. Any reference to marriage includes establishment of a civil union. Any reference to divorce includes termination of a civil union.

Domestic Partner means an unmarried same or opposite sex adult who resides with you and with whom you have registered in a state or local domestic partner registry with you. Any reference to marriage includes establishment of a domestic partnership. Any reference to divorce includes termination of a domestic partnership.

Spouse means a person of the same or opposite sex who is legally married to the insured under the laws of the state or jurisdiction in which the marriage took place. For purposes of the Policy, references to “Spouse” include a Domestic Partner or Civil Union Partner as defined.

GENERAL PROVISIONS

ELIGIBILITY
If you are covered under the Policy, then your Spouse is eligible under this rider on the latest of the following:
• The Policy effective date.
• The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
• Your Critical Illness coverage effective date.
• The date of your marriage.

If your Spouse is covered under the Policy as an Employee, then your Spouse is not eligible for coverage under this rider.

ENROLLMENT
If you have a Spouse eligible for Spouse coverage, you must enroll for any Spouse coverage before it will become effective. The Employer or we will provide you with the forms or information needed to complete your enrollment. You may enroll for Spouse coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us.

EFFECTIVE DATE OF COVERAGE
Your Spouse will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:
• The date your Spouse is eligible for coverage, if you enroll for Spouse coverage on or before that date.
• The first day of the month that is on or next follows the date you enroll for Spouse coverage.
• The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment when your Spouse’s coverage would otherwise become effective. **Exception:** Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved non-medical leave of absence and paid time off for non-medical-related absences.

**EFFECTIVE DATE OF CHANGES TO COVERAGE**
Once your Spouse’s coverage begins, any increased or additional coverage will take effect on the latest of the following:

• The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
• The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

**TERMINATION**
Coverage for your Spouse under this rider terminates on the earliest of the following:

• The date your Critical Illness insurance terminates. See the PORTABILITY FOLLOWING DEATH OR DIVORCE provision below if termination is due to death or regarding Spouse coverage previously continued by your Spouse.
• The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Spouse coverage previously continued by you or your Spouse.
• The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong. See the PORTABILITY provisions below regarding Spouse coverage previously continued by you or your Spouse.
• The date the Policy terminates and coverage for all Insured Persons under the Policy terminates.
• The last day of the month during which you voluntarily cancel coverage under this rider.
• The last day of the month during which your Spouse is no longer an eligible Spouse as defined by this rider. See the PORTABILITY FOLLOWING DEATH OR DIVORCE provision below.
• The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Spouse is insured under this rider even if the rider has since terminated.

**PORTABILITY**
If you continue your coverage under the Certificate’s PORTABILITY provision, then your Spouse’s coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Spouse’s coverage under this rider in force. You may not increase the continued Spouse coverage amount. Continued Spouse coverage under this provision is subject to all the terms of this rider.

**PORTABILITY FOLLOWING DEATH OR DIVORCE**
If you die or divorce, your Spouse may elect to continue Spouse coverage under this rider if certain conditions are met. Your Spouse must have been insured under this rider on the date of your death or divorce, and your Spouse must elect portability and pay the first premium within 31 days of the date of your death or divorce.

If your Spouse continues coverage under this provision, your Spouse will become the owner of their Spouse coverage under this rider. Your Spouse may decrease the continued Spouse coverage amount based on the amounts available on this rider’s SCHEDULE OF BENEFITS. Your Spouse may not increase the continued Spouse coverage amount. Coverage continued under this provision is subject to all the terms of this rider.
Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days Written notice to your Spouse.

Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse dies.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

**GRACE PERIOD**

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate’s PORTABILITY provision.

If your Spouse is continuing coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Spouse’s coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Spouse’s coverage was in force during the grace period.

**CRITICAL ILLNESS BENEFITS**

We will pay the BENEFIT AMOUNT as shown on this rider’s SCHEDULE OF BENEFITS if your Spouse is diagnosed with a Critical Illness on or after your Spouse’s coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider’s SCHEDULE OF BENEFITS.

The benefits for your Spouse are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness that is for the same illness/condition as a Critical Illness for which benefits were payable under the Policy, may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider’s SCHEDULE OF BENEFITS for each Critical Illness. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness in this rider during your Spouse’s lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness.

When the total maximum benefit amount for your Spouse has been paid for a Critical Illness, no further benefits are payable for that Critical Illness. When the total maximum benefit amount has been paid for all Critical Illnesses, no further benefits are payable and your Spouse’s coverage under this rider terminates.
Payment of any benefits for your Spouse’s Critical Illness will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Spouse’s Critical Illness coverage as long as your coverage remains in force.

CLAIMS

NOTICE OF CLAIM
Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM
The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM
The claim form(s) may require completion by you and the Employer and your Spouse’s attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM
You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.

PHYSICAL EXAMINATION
We may require your Spouse to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require your Spouse to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS
Benefits under this rider are payable to you. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH OR DIVORCE, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse's death will be paid to your Spouse’s estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.
LEGAL ACTION
You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Spouse's coverage.

GENERAL PROVISIONS

ELIGIBILITY
If you are covered under the Policy, then your Children are eligible under this rider on the latest of the following:

- The Policy effective date.
- The date coverage under this rider is available to the eligible class of Insured Persons to which you belong.
- Your Critical Illness coverage effective date.
- The date you acquire a Child by marriage, birth or adoption.

If your Child is covered under the Policy as an Employee, then your Child is not eligible for coverage under this rider.

If both you and your Spouse are covered under the Policy as an Employee, then only one of you may cover your Children under this rider. If the parent who is covering the Children stops being insured as an Employee then the other parent may enroll for Children’s coverage under this rider within 60 days.

ENROLLMENT
If you have a Child or Children eligible for coverage, you must enroll for any coverage before it will become effective. You may enroll for Children’s coverage when you become newly eligible, or following a qualifying life event as allowed by the Employer, or during an enrollment period chosen by the Employer and approved by us. The Employer or we will provide you with the forms or information needed to complete your enrollment.

EFFECTIVE DATE
Your Children will be covered at 12:01 a.m. standard time at the Policyholder’s address on the latest of the following:

- The date your Children are eligible for coverage, if you enroll for Children's coverage on or before that date.
- The first day of the month that is on or next follows the date you enroll for Children’s coverage.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment when your Children’s coverage would otherwise become effective. Exception: Coverage starts on a non-working day if you were in Active Employment on your last scheduled working day before the non-working day. Non-working days include time off for the following: vacations, personal holidays, weekends and holidays, approved non-medical leave of absence and paid time off for non-medical-related absences.

If you have coverage on yourself, your eligible newborn Child is automatically covered for the first 30 days after birth. This includes an adopted newborn Child who is placed with you within 30 days of birth. The coverage amount(s) will be the same as for your other eligible Children. If you do not already have Children’s coverage under this rider, then coverage for the newborn will be at the lowest level available. If you do not already have Children’s coverage under this rider, then Child coverage beyond the 30th day is subject to the conditions regarding application and Active Employment and having no approved Employee claims under the Policy.

If you have coverage under this rider and you acquire a new eligible Child due to birth, marriage or adoption, then the newly eligible Child will be covered automatically from the date of the event. If an adopted newborn Child is placed with you within 30 days of birth, the “event” will be the date of birth. If an adopted Child is placed with you more than 30 days after birth, the “event” will be the date of placement. No additional premium is required.

EFFECTIVE DATE OF CHANGES TO COVERAGE
Once your Children’s coverage begins, any increased or additional coverage will take effect on the latest of the following:

- The first day of the month that is on or next follows the date of the increased or additional coverage, if you are in Active Employment.
- The first day of the month that is on or next follows the date you return to Active Employment, if you are not in Active Employment due to injury or sickness.

Any decrease in coverage will take effect at the end of the month but will not affect a payable claim that occurs prior to the decrease.

**TERMINATION**
Coverage for each of your Children under this rider ends on the earliest of the following:
- The last day of the month during which the Child is no longer an eligible Child as defined by this rider. Eligibility of a Child who is incapable of self-sustaining employment due to physical or intellectual disability ends when there is no longer evidence satisfactory to us that the incapacity is continuing.
- The date coverage for all your Children ends as described below.

Coverage for all your Children under this rider ends on the earliest of the following:
- The date your Critical Illness insurance terminates. See the PORTABILITY FOLLOWING DEATH provision below if termination is due to death.
- The date coverage under this rider is terminated for all Active Employees under the Policy. See the PORTABILITY provisions below regarding Children’s coverage previously continued by you or your Spouse.
- The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong. See the PORTABILITY provisions below regarding Children’s coverage previously continued by you or your Spouse.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates.
- The last day of the month during which you voluntarily cancel coverage under this rider.
- The last day of the month during which you no longer have any eligible Children as defined by this rider.
- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.

We will pay benefits for a loss that occurs while your Child is insured under this rider even if this rider has since terminated.

**PORTABILITY**
If you continue your coverage under the Certificate’s PORTABILITY provision, then your Children’s coverage under this rider may also be continued at the same time. Continued premium payment is required to keep your Children’s coverage under this rider in force. You may not increase the continued Children’s coverage amount. Continued Children’s coverage under this provision is subject to all the terms of this rider.

**PORTABILITY FOLLOWING DEATH**
If you die and your Spouse continues coverage under the PORTABILITY FOLLOWING DEATH OR DIVORCE provision of the Spouse Critical Illness Rider, then Children’s coverage under this rider may be continued at the same time under your Spouse’s coverage. Following portability of this rider, Children may be covered only if they would have been eligible for coverage under the eligibility rules in force prior to the death of the Employee.

If your Spouse continues coverage under this provision, your Spouse will become the owner of the Children’s coverage under this rider. Your Spouse may not increase the continued Children’s coverage amount. Coverage continued under this provision is subject to all the terms of this rider.

Premiums will be billed directly to your Spouse. Continued premium payment is required to keep coverage in force. The initial premium will be based on the portability premium rates in effect at the time your Spouse elects portability. We may change the portability premium rates at any time upon 60 days Written notice to your Spouse.
Coverage continued under this provision will end on the earliest of the following:

- The end of the period for which premiums for this rider are paid, if the next premium is not paid by its due date, subject to the GRACE PERIOD provision.
- The date your Spouse voluntarily cancels coverage under this rider.
- The date your Spouse’s coverage under the Spouse Critical Illness Rider terminates.
- The last day of the month during which there are no longer any eligible Children as defined by this rider.
- For each Child, the date your Child’s total maximum benefit amount has been paid for all Critical Illnesses and Additional Child Diseases.
- The date the Policy terminates and coverage for all Insured Persons under the Policy terminates, upon 60 days Written notice of termination.

**GRACE PERIOD**

Refer to the GRACE PERIOD provision in the Certificate if you are continuing coverage under the Certificate’s PORTABILITY provision.

If your Spouse is continuing Children’s coverage under the PORTABILITY FOLLOWING DEATH provision, your Spouse has a grace period of 31 days for the payment of any premium due. During this grace period, your Children’s coverage will remain in force. If the full premium payment is not received by us by the due date, we will give Written notification to your Spouse that if the premium is not paid by the end of the grace period, then all coverage under this rider will terminate on the last day of the grace period. If we fail to give such Written notice, coverage will continue in effect until the date such notice is given. We may extend the grace period by giving Written notice of such intent to your Spouse, and such notice will specify that all coverage will terminate on that date if the premium remains unpaid. A pro rata premium payment is required for any period your Children’s coverage was in force during the grace period.

**CRITICAL ILLNESS BENEFITS**

We will pay the BENEFIT AMOUNT as shown on this rider’s SCHEDULE OF BENEFITS if your Child is diagnosed with a Critical Illness or an Additional Child Disease on or after your Child’s coverage effective date. The percentage of BENEFIT AMOUNT payable and any applicable maximum benefit amounts are listed for the Critical Illness on this rider’s SCHEDULE OF BENEFITS. Benefits are payable for each covered Child.

The benefits for your Children are the same as the benefits for you as shown in the CRITICAL ILLNESS BENEFITS section of the Certificate. Benefits for the Additional Child Diseases module are shown below.

To be eligible for a benefit payment, the diagnosis must be a Different Diagnosis as defined in the DEFINITIONS section of the Certificate. A subsequent diagnosis of a Critical Illness or Additional Child Disease that is for the same illness/condition as a Critical Illness or Additional Child Disease for which benefits were payable under the Policy may be eligible as a Different Diagnosis as defined.

A Critical Illness that meets the definition of a Same Diagnosis is not eligible for benefits.

Benefits are payable up to the total maximum benefit amount shown on this rider’s SCHEDULE OF BENEFITS for each Critical Illness and Additional Child Disease. This includes multiple payments for Different Diagnoses. The total maximum benefit amount is the maximum amount payable for each Critical Illness and Additional Child Disease in this rider during your Child’s lifetime.

Any partial benefits paid will reduce the total maximum benefit amount for that Critical Illness or Additional Child Disease.
When the total maximum benefit amount for a Child has been paid for a Critical Illness or Additional Child Disease, no further benefits are payable for that Child for that Critical Illness or Additional Child Disease. When the total maximum benefit amount for a Child has been paid for all Critical Illnesses and Additional Child Diseases, no further benefits are payable for that Child. When the total maximum benefit has been paid for all Children for all Critical Illnesses and Additional Child Diseases, no further benefits are payable and your Children’s coverage under this rider terminates.

Payment of any benefits for your Child’s Critical Illness or Additional Child Disease will not impact the available BENEFIT AMOUNT for your Critical Illness coverage. Payment of any benefits for your Critical Illness will not impact the available BENEFIT AMOUNT for your Child’s Critical Illness coverage as long as your coverage remains in force.

A diagnosis of any Critical Illness or Additional Child Disease must be made after your Child’s live birth and by a Doctor familiar with the diagnosis of the specific condition.

ADDITIONAL CHILD DISEASES MODULE
Benefits for Cerebral Palsy, Congenital Birth Defects, Cystic Fibrosis, Down Syndrome, Gaucher Disease, Type II or III, Infantile Tay Sachs, Niemann-Pick Disease, Pompe Disease, Sickle Cell Anemia, Type 1 Diabetes, Type IV Glycogen Storage Disease and Zellweger Syndrome are payable when we receive due proof of such condition which is diagnosed on or after your Child’s coverage effective date (including the effective date of any changes to coverage).

A diagnosis of Type 1 Diabetes must: 1) be made by a board-certified or board-eligible endocrinologist or other specialist in the treatment of diabetes; 2) be based on blood tests; and 3) require insulin administration for a continuous period of at least 3 months.

If Type 1 Diabetes is included in the Major Organ Module as well as this rider, only one benefit is payable.

CLAIMS

NOTICE OF CLAIM
Written notice of your claim should be given to us within 30 days after the date of loss (date of diagnosis). The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM
The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. If such Written proof of claim covers the occurrence, character and extent of the loss within the time period below for proof of claim, you will be deemed to have complied with the requirements for providing proof of claim.

FILING A CLAIM
The claim form(s) may require completion by you and the Employer and your Child’s attending Doctor. The completed form(s) and any attachments indicated on the form(s) as required should be sent directly to us at the address indicated on the form.

PROOF OF CLAIM
You must send us Written proof of your claim within 90 days after the date of loss. Failure to give such proof within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such proof within that time, and the proof was given as soon as reasonably possible. However, in any event, you must provide proof of claim no later than one year after the time proof is otherwise required, except in the absence of legal capacity.
PHYSICAL EXAMINATION
We may require your Child to be examined by one or more Doctors or other medical practitioners of our choice. We will pay for this examination. We can require an examination as often as it is reasonable to do so while the claim is pending. We may also require you to be interviewed by our authorized representative. Failure to comply with this request may result in denial or termination of benefits.

BENEFIT PAYMENTS
Benefits under this rider are payable to you. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Any accrued benefits that are payable at your death will be paid according to the BENEFIT PAYMENTS provision in the Certificate. For PORTABILITY FOLLOWING DEATH, benefits are payable to your Spouse, and any accrued benefits that are payable at the time of your Spouse’s death will be paid to your Spouse’s estate.

Any payment we make in good faith will discharge our liability as to the extent of such payment. We will pay the benefits in one sum or in a method comparable to one sum.

LEGAL ACTION
You can start legal action regarding a claim no earlier than 60 days after Written proof of claim has been given to us, and no later than three years from the time proof of claim is required, unless otherwise provided under federal law. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your Children’s coverage.

• Employer-approved Leave of Absence, or
• Total Disability,
then coverage may be continued under the Policy beyond the date you are no longer in Active Employment, limited to the time period(s) described below.

During this continued coverage period, the amount of continued insurance equals the amount in effect the day prior to the continuation period. That amount will reduce or terminate according to the Certificate and riders in effect the day prior to the continuation period.

Premiums are due during the continuation period on the same basis as on the day prior to the continuation period. Contact the Employer for more information.

If an eligible claim occurs while coverage is being continued under this rider, then benefits will be payable as described in the Certificate and riders.

EMPLOYER-APPROVED LEAVE(S) OF ABSENCE

Family and Medical Leave
If you are on a Leave of Absence as described under the Family and Medical Leave Act of 1993 and any amendments ("FMLA") or applicable state family and medical leave law ("State FML"), and the Employer’s human resource policy provides for continuation of insurance during a FMLA or State FML Leave of Absence, then insurance coverage for all Covered Persons may be continued until the end of the later of:
• The leave period permitted by FMLA.
• The leave period permitted by State FML.

This continuation of coverage includes all riders that were in effect on the date before the FMLA or State FML Leave of Absence began.

Sickness or Injury
If you are on a Leave of Absence due to your sickness or injury, including Total Disability, then insurance coverage for all Covered Persons may be continued under this rider until the earliest of the following:
• The last day of the month which is on or next follows the date your approved Leave of Absence ends.
• The last day of the month which is on or next follows the date which is 12 months after the date you stopped Active Employment.

This continuation of coverage includes all riders that were in effect on the date before the Leave of Absence began.
Military Leave
If you are on a Leave of Absence for active military service as described under the Uniformed Services Employment and Reemployment Rights Act of 1994 ("USERRA") and applicable state law, then insurance coverage for all Covered Persons may be continued under this rider until the earliest of the following:
- The last day of the month which is on or next follows the date your approved Leave of Absence ends.
- The last day of the month which is on or next follows the date which is 12 months after the date you stopped Active Employment.

This continuation of coverage includes all riders that were in effect on the date before the Leave of Absence began.

Other Leave of Absence

- The last day of the month which is on or next follows the date which is 12 months after the date you stopped Active Employment.

This continuation of coverage includes all riders that were in effect on the date before the Leave of Absence began.

CONCURRENT LEAVES OF ABSENCE
If you would be eligible for more than one type of continuation under this rider during any one period that you are not in Active Employment, we will consider such periods to be concurrent for the purpose of determining how long your coverage may continue under the Policy.

TERMINATION OF CONTINUATION
Coverage continued under this rider will end on the earliest of the following:
- The end of the continuation period as indicated above.
- The date coverage under this rider is terminated for all Active Employees under the Policy.
- The date coverage under this rider is terminated for the eligible class of Active Employees to which you belong.

- The date you are eligible under the Policy as an Active Employee.
- The date of your death.
- The date you become covered under another group critical illness or specified disease insurance policy as an employee or member.

In no event will coverage for any Covered Person be continued beyond the date coverage would otherwise end according to the termination provision(s) of the Certificate and riders.

When this continuation ends, insurance under the Policy will stay in force only if all of the following conditions are met:
- Critical Illness insurance is in force for Active Employees under the Policy;
- You are in an eligible class for coverage under the Policy; and
- Your premium payments are resumed.

The amount of insurance will be subject to the Certificate and riders in effect on the date your premium payments are resumed.

RETURN TO ACTIVE EMPLOYMENT
If coverage is not continued during any period that is eligible for continuation under the Policy, and you return to Active Employment while coverage is in force for Active Employees under the Policy, then the terms of the Certificate and riders will apply.
PORTABILITY FOLLOWING TERMINATION OF CONTINUATION
When continuation under this rider ends, continued premium payment will be required to keep coverage in force. If you are not eligible as an Active Employee on that date, then your coverage can be continued under the Certificate’s PORTABILITY provision. See the PORTABILITY provisions of the Spouse Critical Illness Rider and Children’s Critical Illness Rider for information about continuing coverage after your death or divorce.

The notice may be given to us at our home office or to our authorized administrator. Failure to give notice within this timeframe will not invalidate or reduce any payable claim if it can be shown that it was not reasonably possible to give such notice within that time and the notice was given as soon as reasonably possible.

CLAIM FORM

The claim form is available from the Employer or you can request a claim form from us. If you do not receive the form from us within 15 days of your request, you may send us Written proof of claim without waiting for the form. **BENEFIT PAYMENTS**

Benefits under this rider are payable to you unless otherwise specified. Once a claim has been approved, we will make payment as soon as possible but no more than 60 days after receipt of proof of claim. Nothing in this provision waives, extends or tolls any applicable statute of limitations governing any claim relating in any way to your coverage.

NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association and the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**

  80% of death benefits but not to exceed $300,000
  80% of cash surrender or withdrawal values but not to exceed $100,000

- **Annuities and Structured Settlement Annuities**

  80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed $250,000

The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is $300,000, regardless of the number of policies or contracts covering the individual.

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is $546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.
COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. You or someone authorized to act on your behalf must submit a request for reinstatement to us within 90 days of cancellation along with medical proof, at your expense, that you suffered from a cognitive impairment or functional incapacity at the time of cancellation. Within 15 days of our request, all premiums due from the date of cancellation must also be received by us in order to consider your request for reinstatement. NOTICE CONCERNING POLICYHOLDER RIGHTS IN AN INSOLVENCY UNDER THE MINNESOTA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION LAW

If the insurer or health maintenance organization that issued your life, annuity or health insurance policy becomes impaired or insolvent, you are entitled to compensation for your policy or contract from the assets of that insurer. The amount you recover will depend on the financial condition of the insurer or the health maintenance organization.

In addition, residents of Minnesota who purchase life insurance, annuities, health insurance, or health maintenance coverage from insurance companies authorized to do business in Minnesota are protected, SUBJECT TO LIMITS AND EXCLUSIONS, in the event the insurer or health maintenance organization becomes financially impaired or insolvent. This protection is provided by the Minnesota Life and Health Insurance Guaranty Association.

For purposes of this notice, the terms “insurance company” and “insurer” include health maintenance organizations.

Minnesota Life and Health Insurance Guaranty Association
3300 Wells Fargo Center
90 South Seventh Street
Minneapolis, Minnesota 55402
Telephone: (612) 322-8713

The maximum amount the Guaranty Association will pay for all policies or contracts issued on one life by the same insurer or health maintenance organization is limited to $500,000. Subject to this $500,000 limit, the Guaranty Association will pay up to $500,000 in life insurance death benefits, $130,000 in net cash surrender and net cash withdrawal values for life insurance, $500,000 in health insurance, health maintenance organization, and long-term care benefits, including any net cash surrender and net cash withdrawal values, $500,000 in disability income insurance, $250,000 in annuity net cash surrender and net cash withdrawal values, $410,000 in the present value of annuity benefits for annuities which are part of a structured settlement or for annuities in regard to which periodic annuity benefits, for a period of not less than the annuitant’s lifetime or for a period certain of not less than ten years, have begun to be paid on or before the date of impairment or insolvency, or if no coverage limit has been specified for a covered policy or benefit, the coverage limit shall be $500,000 in present value. Unallocated annuity contracts issued to retirement plans, other than defined benefit plans, established under section 401, 403(b), or 457 of the Internal Revenue code of 1986, as amended through December 31, 1992, are covered up to $250,000 in net cash surrender and net cash withdrawal values, for Minnesota residents covered by the plan provided, however, that the association shall not be responsible for more than $10,000,000 in claims from all Minnesota residents covered by the plan. If total claims exceed $10,000,000, the $10,000,000 shall be prorated among all claimants. These are the maximum claim amounts. Coverage by the Guaranty Association is also subject to other substantial limitations and exclusions and requires continued residency in Minnesota. If your claim exceeds the Guaranty Association’s limits you may still recover a part or all of that amount from the proceeds of the liquidation of the insolvent insurer, if any exist. Funds to pay claims may not be immediately available. The Guaranty Association assesses insurers and health maintenance organizations licensed to sell life and health insurance in Minnesota after the insolvency occurs. Claims are paid from this assessment.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

THE COVERAGE PROVIDED BY THE GUARANTY ASSOCIATION IS NOT A SUBSTITUTE FOR USING CARE IN SELECTING INSURANCE COMPANIES THAT ARE WELL MANAGED AND FINANCIALLY STABLE. IN SELECTING AN INSURANCE COMPANY CONTRACT OR POLICY, YOU SHOULD NOT RELY ON COVERAGE BY THE GUARANTY ASSOCIATION.

THIS NOTICE IS REQUIRED BY MINNESOTA STATE LAW TO ADVISE POLICYHOLDERS OF LIFE, ANNUITY, HEALTH INSURANCE, OR HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS OF THEIR RIGHTS IN THE EVENT THEIR INSURANCE CARRIER BECOMES FINANCIALLY IMPAIRED OR INSOLVENT. ALL LIFE, ANNUITY, HEALTH INSURANCE, AND HEALTH MAINTENANCE ORGANIZATION POLICIES AND CONTRACTS ARE REQUIRED TO PROVIDE THIS NOTICE.

SPOUSE ENDORSEMENT FOR NEW HAMPSHIRE RESIDENTS

Your Certificate(s) and Spouse rider(s) have been changed as follows. Please keep this endorsement with your Certificate(s). This endorsement is subject to all other terms of the Policy.

If your Certificate contains definitions of “You and Your” and “We, Us and Our”, then all references to “you” and “your” in this endorsement mean “You and Your” as defined in your Certificate, and all references to “we” and “us” and “our” in this endorsement mean “We, Us and Our” as defined in your Certificate.

I. CONTINUATION FOLLOWING DIVORCE OR LEGAL SEPARATION

If you divorce or legally separate, and the final decree of divorce or legal separation does not expressly prohibit continuation of coverage for your former Spouse, then your former Spouse can elect to continue Spouse coverage for a limited time. The former Spouse must have been insured under our Policy as your Spouse on the date before the date of divorce or legal separation. In order to continue coverage under this provision, the former Spouse has 30 days after the date of divorce or legal separation in which to make the election, pay the first premium, and provide us with the final decree of divorce or legal separation.

When we put the former Spouse on continuation under this provision, the former Spouse becomes the owner of that Spouse coverage under the Policy. All Spouse benefits are payable to the former Spouse. Premiums will be billed directly to the former Spouse. Continued premium payment is required to keep coverage in force. The benefits and premium rates for Spouse coverage continued under this provision will remain the same as though the former Spouse were still eligible as your lawful Spouse. Spouse coverage may not be increased.

Spouse coverage continued under this provision will end on the earliest of the following:
- The 3-year anniversary of the final decree of divorce or legal separation.
- The date of the former Spouse’s remarriage.
- The date of your remarriage.
- The date the former Spouse dies.
- The date you die.
- The end date of coverage, if any, as provided by the final decree of divorce or legal separation.
- The end of the period for which the former Spouse paid premiums, if the former Spouse stops making a required premium contribution, subject to the grace period.
- The date the Policy terminates.

If all of the following are true:
- the former Spouse’s coverage was being continued under a similar provision of the Employer’s prior group policy that provided the same type of coverage as our Policy,
- your coverage under the prior policy is replaced by coverage under our Policy, and
- the former Spouse’s coverage under the prior policy stops due to the prior policy’s termination,

then the former Spouse can elect to continue the Spouse coverage for the remainder of the time period described above while our Policy is in force. The benefits, premium rates and all other terms for continued Spouse coverage are subject to the terms of our Policy. In order to continue Spouse coverage, the former Spouse has 30 days after your coverage effective date under our Policy in which to make the election, pay the first premium, and provide us with proof of their eligibility for continuation under the prior policy.

II. EFFECTIVE DATE

This endorsement is effective for you on or after the later of the following dates:
- The Policy effective date.
- The effective date of your insurance.

NOTICE OF PROTECTION PROVIDED BY
PENNSYLVANIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary regarding the protections provided to the policyholders by the Pennsylvania Life and Health Insurance Guaranty Association ("the Association"). This protection was created under Pennsylvania law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your member life, annuity, or health insurance company, RANLI PPO, hospital plan corporation, professional health services plan corporation or health maintenance organization (member insurer) becomes financially unable to meet its obligations. If this should happen, the Association will typically arrange to provide coverage, pay claims, or otherwise provide protection in accordance with Pennsylvania law. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting companies that are well managed and financially stable.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, individuals will be protected by the Association if the member insurer was a member of the Association and the individual lives in Pennsylvania at the time the member insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees of such individuals.

Amounts of Coverage

The basic coverage protections provided by the Association per insured in each insolvency are limited in the aggregate to $300,000 (or $500,000 in the case of health benefit plans), including specific limits for the following types of coverage but not in excess of the contractual obligations of the member insurer;

Life insurance:
• Up to $300,000 in death benefits including up to $100,000 in net cash surrender or withdrawal value.

Accident, accident and health, or health insurance (including HMOs):
• Up to $500,000 for health benefit plans, with some exceptions.
• Up to $300,000 for disability income benefits.
• Up to $300,000 for long-term care insurance benefits.
• Up to $100,000 for all other types of health insurance.

Individual Annuities
• Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association also does not provide coverage for:
• any policy or contract or portion of a policy or contract which is not guaranteed by the member insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
• claims based on marketing materials or other documents which are not approved policy or contract forms, claims based on misrepresentations of policy or contract benefits, and other extra-contractual claims;
• any policy of reinsurance (unless an assumption certificate was issued);
• interest rate yields or increases based on an index that exceed an average rate specified by statute;
• dividends, experience rating credits, or credits given in connection with the administration of a policy or contract by a group contract holder;
• employers’ plans that are self-funded (that is, not insured by member insurer, even if member insurer administers them);
• unallocated annuity contracts (which give rights to group contract holders, not individuals) other than in limited circumstances and amounts;
• certain contracts which establish benefits by reference to a portfolio of assets not owned by the member insurer; or
• policies providing health care benefits for Medicare Parts C or D coverage, for Medicaid or under the Pennsylvania program for Comprehensive Health Care for Uninsured Children.

The following policies and persons are among those that are excluded from Association coverage:
• A policy or contract issued by an insurer that was not authorized to do business in Pennsylvania when it issued the policy or contract.
• If the person is provided coverage by the guaranty association of another state.
• A policy issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

NOTICES

Member insurers or their agents are required by law to give or send you this notice, and are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance or other coverage. Policyholders with additional questions should first contact their member insurer or agent. To learn more about coverages provided by the Association, please visit the Association’s website at www.palifega.org. Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms “insurance company and “insurer” include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:
• Life Insurance
  o $500,000 in death benefits
  o $200,000 in cash surrender or withdrawal values
• Health Insurance
  o $500,000 in hospital, medical and surgical insurance benefits
  o $500,000 in long-term care insurance benefits
  o $500,000 for disability income insurance benefits
  o $500,000 in other types of health insurance benefits
• Annuities
  o $250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

To learn more about the above protections, please visit the Association's website at www.utlifega.org, or contact:

SUMMARY PLAN DESCRIPTION

CLAIM PROCEDURES FOR CRITICAL ILLNESS INSURANCE

1) Information regarding claim submission may be obtained from the Plan Administrator or Human Resource Department.

2) ReliaStar Life Insurance Company (ReliaStar Life) will process the claim and make payment or issue a denial notice.

3) Written notice of denial of a claim will be furnished to the claimant within 90 days after receipt of the claim. An extension of 90 days will be allowed for processing the claim if special circumstances are involved. The claimant will be given notice of any such extension. The notice will state the special circumstances involved and the date a decision is expected.

4) The notice of denial will be written in an understandable manner and include the following:
   a. The specific reason(s) for the denial.
   b. Specific reference to the provision which forms the basis of the denial.
   c. A description of additional information, if any, which would enable a claimant to receive the benefits sought and an explanation of why it is needed.
   d. An explanation of the claim review procedure, including the time limits applicable to such procedures and notice of the claimant’s right to bring a civil action pursuant to Section 502(a) of ERISA following an adverse decision on appeal.

5) The claimant may request an appeal at any time during the 60-day period following receipt of the notice of denial of the claim.

6) ReliaStar Life will consider requests for an appeal of a denied claim upon written application of the claimant or his or her duly authorized representative. As part of the appeal, the claimant has the right, upon request and free of charge, to access or obtain copies of all documents, records and other information that is relevant to the claim for benefits. The claimant may, in the course of this appeal, submit to ReliaStar Life written comments, documents, records, and other information relating to the claim. ReliaStar Life will provide a full and fair review that takes into account all comments, documents, records and other information submitted by the claimant without regard to whether such information was submitted or considered in the initial benefit determination. Review of claim denials and final decisions on appeal are the responsibility of ReliaStar Life.

7) ReliaStar Life will provide the claimant with a written decision of the final determination of the claim. This decision will be written in an understandable way, state the specific reason(s) for the decision, and make specific reference to the provision(s) on which the decision is based. This decision will be issued as soon as practicable from the date of appeal, but not longer than 60 days unless an extension is needed. An extension of 60 days will be allowed for making this decision if special circumstances are present. The claimant will be given notice if this extension is necessary. If the decision on review is not received within these time limits, the claim may be considered denied. If the claimant receives an adverse benefit determination, the claimant will then have the right to bring a civil action pursuant to Section 502(a) of ERISA.

8) ReliaStar Life has final discretionary authority to determine all questions of eligibility and status, to interpret and construe the terms of this policy(ies) of insurance, and to make claim determinations.
SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits
Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries
In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights
If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions
If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
