

Fertility and Family Building

Provided by: The George Washington University

Your Progyny benefit has been specifically designed to give you the best chance of fulfilling your dreams of family. Whether you just want to learn more about your options, are trying to conceive, or exploring fertility treatment, we are here for you.

Access **comprehensive coverage** through the **Progyny Smart Cycle**, which covers all the individual services, tests, and treatments you may need. Connect with **top fertility specialists** across the U.S. and lean on your Patient Care Advocate with unlimited **concierge support**.

Your Progyny coverage includes:

- **2 Smart Cycles** per individual per lifetime for fertility treatment coverage
- **Progyny Rx** fertility medication coverage
- **Fertility preservation** coverage for egg and sperm freezing
- **Donor tissue** coverage for egg and sperm tissue purchase

Note: The person(s) receiving fertility treatment must be enrolled in a United Healthcare PPO health plan through The George Washington University to have access to the Progyny benefit. You are subject to financial responsibility according to your plan. Please consult with the GW Benefits Department to confirm your eligibility.
