

Visit a dentist — anytime

Our partnership with The TeleDentists means you can get virtual dental care 24/7. Whether you're at home with a dental emergency, need a dentist after hours or are away on vacation, you can easily get the care you need.

Here's how it works:

- 1** Register for and access your dental account online. Bookmark this site for future reference.
- 2** Answer a few questions about your dental health.
- 3** Talk with a live dentist and get an oral evaluation.
- 4** Get any necessary prescriptions sent to your pharmacy.
- 5** **Smile brighter.**
